Housetraining For Dummies®, Mini Edition Susan McCullough

Simplify housetraining for you and your pup!

Beginning to think your dog is as much work as a child? You're right. Both need training and structure. Find out how to use encouragement and positive reinforcement to successfully housetrain your new pup or older dog. Author Susan McCullough provides inventive solutions to common — and uncommon — housetraining problems.

Open the book and find:

The importance of sticking to a schedule

The signs your dog has to go

How a crate can help with housetraining

Where to put your dog's outdoor potty

Shelley York says

I am raising my first puppy and want to arm myself with the knowledge to do it right. I read this book and got a lot of helpful information from it that I will use to help in potty training correctly.

Stephanie Price says

Too short

It have me the same advice I could have Googled. It was not worth the 0.99 I paid. I was hoping for more tips and it just ended.
