The Twelfth Imam Collection Joel C. Rosenberg

A collection of the following titles: *The Twelfth Imam*, *The Tehran Initiative*, and *Damascus Countdown*.

The Twelfth Imam: As the apocalyptic leaders of Iran call for the annihilation of Israel and the U.S., CIA operative David Shirazi is sent into Tehran with one objective: use all means necessary to disrupt Iran's nuclear weapons program—without leaving American fingerprints, and without triggering a regional war. At extreme personal risk, Shirazi undertakes his assignment. A native Farsi speaker whose family escaped from Iran in 1979, he couldn't be better prepared for the mission. But none of his training has prepared Shirazi for what will happen next. An obscure religious cleric is suddenly hailed throughout the region as the Islamic messiah known as the Mahdi or the Twelfth Imam. News of his miracles, healings, signs, and wonders, spread like wildfire, as do rumors of a new and horrific war. With the prophecy of the Twelfth Imam seemingly fulfilled, Iran's leaders prepare to strike Israel and bring about the End of Days. Shirazi must take action, but the clock is ticking.

The Tehran Initiative: The world is on the brink of disaster, and the clock is ticking. Iran has just conducted its first atomic weapons test. Millions of Muslims around the world are convinced their messiah—known as the Twelfth Imam—has just arrived on earth. Israeli leaders fear Tehran, under the Twelfth Imam's spell, will soon launch a nuclear attack that could bring about a second Holocaust and the annihilation of Israel. The White House fears Jerusalem will strike first, launching a preemptive attack against Iran's nuclear facilities that could cause the entire Middle East to go up in flames, oil prices to skyrocket, and the global economy to collapse. With the stakes high and few viable options left, the president of the United States orders CIA operative David Shirazi and his team to track down and sabotage Iran's nuclear warheads before Iran or Israel can launch a devastating first strike.

Damascus Countdown: 2014 “Christian Retailing’s Best” award finalist!

All eyes are on the Middle East. Israel has successfully launched a first strike on Iran, taking out all of their nuclear sites and six of their nuclear warheads—and causing The Twelfth Imam to order a full-scale retaliation. U.S. President William Jackson threatens to support a U.N. Security Council resolution condemning the Jewish State for unprovoked and unwarranted acts of aggression. Meanwhile, CIA operative David Shirazi has infiltrated the Iranian regime and intercepted information indicating that two Iranian nuclear warheads survived the attack and have been moved to a secure and undisclosed location. In danger not only from the ongoing missile strikes on Iran but also from the increasingly hostile and suspicious governments of multiple countries, David and his team are in a race against time to find the remaining nuclear warheads before disaster strikes.

Marcia Barksdale says

I read this series over the period of two weeks. I could not put them down. They were interesting, suspenseful and full of end time revelation information. The perspective from which it is given is fresh.

Tia Glover says

Loved the entire series

What a gifted author! Action packed series while bringing scripture to life and drawing the reader to pause to meditate on the power of Jesus!

Judy says

Riveting

I just finished this series. It was truly one of the best I have ever read. Be careful. When you start, it may be hard to stop.

Mike Howell says

Amazing!

Great story, page turning excitement on nearly every page. I have been blessed to read this dramatic and exciting series.

David says

If you like spy, intrigue, action, and heart pounding reading that connects to current events and history, look no further.

David Turgeon says

A spellbinding read, exiting all the way. Really hard to put it down! Especially great to read such a good story without all the profanity that is found so often.

Brian Holt says

Thought provoking.

Sprinkled with Gods word, causes me to look at my faith. Would I be so bold? A must read for anyone concerned with their future.

Kyle Liedtke says

One of the greatest series I've read in quite some time. Joel C. Rosenberg is quickly becoming my favorite author of all time and this is some of his best fictional work. The story dives deep into some of the scariest end-times prophesies. It's foundation is derived from actual world events (past and present) that ultimately leads to a roller coaster of Christian and Islam eschatology playing out parallel to the very end. A real page-turner!

Clair Meske says

Good read, lot's of action. Again a bit too much into religion for me.

Allen Baldwin says

This was my first introduction to Rosenberg and I was delighted. The detail and rich characters combined with the fast paced action was very engaging. I think the geopolitical setting is very informative and relevant for our time but you can be oblivious to politics and still get engrossed in this series and enjoy it.

Riaan van Wyk says

A best read

Once started I could not stop reading until I reached the last page. I loved the way that the Bible was worked into the whole story. Excellent.
