Forever In Vein Jody R. LaGreca

Forever In Vein is dubbed as “a uniquely alluring world of Gothic style horror and refreshing return of the vampire in the style of Ann Rice or Bram Stoker.” An old diary reveals intrigue about Ludwing Von Vanderblatt, a one-hundred-fifty year old vampire. In 1895 Ludwing attends Becky Williams' Debutante Ball at Lakeview, an estate in Boston, Massachusetts.

The handsome stranger charms Becky and her parents, Harrison and Lady Georgia, before luring Becky outside for his just desserts. Becky's vampire transformation binds her to Ludwing for all eternity. The same way Ludwing is beholden to Gretchen Talbot, a vampire from Dudleytown — a cursed hamlet and legendary ghost town, known for its compilation of British and American history and ties to King Henry VIII.

Harrison Williams takes a journey to the Vanderblatt farmhouse in Quakertown, Pennsylvania searching for answers — when a chain of events unfurl dark secrets. Dazzling, dangerous, dramatic, and enticing, Forever In Vein contains well documented, chilling occurrences and locations.
