The American Promise, Value Edition, Combined Volume: A History of the United States James L. Roark , Martin P. Johnson , Patricia Cline Cohen , Sarah Stage , Susan M. Hartmann

The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. The value edition includes the full narrative accompanied by a 2-color map program and the rich instructor resources of the parent text made available at an affordable price. LaunchPad combines carefully-curated assignments and assessments integrated with the full-length parent text e-book—the same narrative in the Value Edition but with full color art and maps and more features for analysis—in its own intuitive course space. *The American Promise* Value Edition with LaunchPad provides the best formats for every activity—the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward learning outcomes; LearningCurve, the adaptive learning tool that students love to use to cement their understanding of the text and instructors love to assign to prepare students for class; and a suite of instructor resources from videos to test banks that make teaching simpler and more effective.?

Celeste says

A solid 4 stars for this textbook! I'm just going to get straight to the point with this review! The deduction of 1 star is entirely because of the fact that the maps are very difficult to understand at times because of the fact that they are primarily blue, grey, and black. Sometimes the keys on the maps are ridiculously difficult to use since sometimes the colors blend and don't look altogether that different from one another.

Other than the map issue, though, I think that this book is wonderful! If you like U.S. history textbooks then this is one that I would recommend getting your hands on. I had initially just been renting it for the quarter but ended up buying it since I love it so much. It's definitely one that I will be holding onto.
