Ever since Abby was twelve, when her father started working as chief of palace security, she has been in love with Prince Vincenzo. When he got married to a woman from another royal family, she was forced to keep her love a secret. Years later, Abby finds herself confused and lost when she hears the news that Vincenzo's wife has died in an accident. As a longtime friend, Abby had volunteered to become a surrogate mother of their child. What can she do now but honor her promise? The trick will be keeping her feelings hidden and focusing on the birth of Vincenzo's child.
