Rebecca's Return

Jerry S. Eicher

Rebecca's Return Jerry S. Eicher

Readers who enjoyed *Rebecca's Promise* will eagerly devour the next entry in this Amish series set in southern Ohio.

\

Rebecca Keim returns to Wheat Ridge full of resolve to make her relationship with John Miller work. But in her absence, John has become suspicious of the woman he loves. Before their conflict can be resolved, John is badly injured and Rebecca is sent back to Milroy to aid her seriously ill Aunt Leona.

\

In Milroy, Rebecca once again visits the old covered bridge over the Flatrock River, the source of her past memories and of her promise made so long ago.

\

Where will Rebecca find happiness? In Wheat Ridge with John, the man she has agreed to marry...or should she stake her future on the memory that persists...and the ring she has never forgotten? Does God have a perfect will for Rebecca and if so how can she know that will?

\

Ingrid says

This is book 2 in a series. I strongly recommend reading the first book in the series before reading this one. It is not a stand alone book. In the beginning I felt lost and leaves too many things open at the end. I'm sorry to say I did not like this book, I almost quit reading it . I could not get into the story as is was rather flat, lacks feeling and excitement . And then it has a story that is confusing and makes you dislike the main person that story line is about.

Hard to describe without sharing details.(do not want to spoil it for other readers)

This is my opinion , others may feel different, so don't let my review influence you.

Teresa Locklear says

I definately enjoyed this book more than the 1st one in the series.

April says

This one was better than the first one - the story line was much more engaging.....although the writing is still a bit stilted. I really think this is more on the line of teenage fiction.

D.J. says

One of the most unique aspects about Jerry Eicher's books is how real the story feels. You feel like you are reading about real life – the good and the bad.

Poor Rebecca... she finally resolves her past, comes back home to marry John... and tragedy occurs almost immediately. This is so true to life. For many of us, just as it seems as if life is going to get a little easier, something happens to throw us into turmoil again.

Will John ever trust Rebecca? Will he recover? Or will she return to Milroy?

Jerry uses his tremendous talent to show you just how harsh the plain life can be, yet how rewarding. This is just one of the ways his books are so great. Although I know there will be hardship and sorrows, I always enjoy reading Jerry's stories.

Book two begins with sadness, yet is full of hope... and love. Don't miss out on this wonderful trilogy!

Carolanne wollin says

Better than the first book.

Tasha enderby says

So it is like me to read a second book in a trilogy first! This always happens to me. This story was a bit darker then most of the other Amish stories I have read and that tone stayed with me all through the book. It was at first a nice change of pace to see the inner workings of an angry Amish women, she was spiteful, unforgiving and even had the gall to set her husband out to do her bidding. This is to normal, to human and I had a hard time just letting it be the time of the book. At the very end I got to the authors page and it was written by a man... didn't see that coming!

Nice change of pace in Amish fiction but I don't think I liked it enough to read two more books of his.

Rachel says

This is another good book about the Amish with a good look at faith and family. It's about choice and real love.

Alison says

I read this book straight after the first one - it was good to see the story unfold. The parents' response to John's accident was very challenging.

Stephanie says

This series is great because the author was an Amishman. The story is typical of the genre, but the emotions expressed seems more realistic. I also like his references to how the Amish think about God's will and missions.

Jessie Cumpson says

Another good amish book. About having faith in God when things look really bad after an accident.

Donna Bagby says

This book was more of interest than book 1. Rebecca returns to Wheat Ridge County to find a very jealous John (caused by her lack of communication while only away. John is in a car-buggy accident which leaves him paralyzed. Will Rebecca change her mind or will her love for John help get them through this crisis?

Pam says

The sequel to Rebecca's Promise. Nice Christian fiction. I'm not sure about Rachel though -- she seems ever the top with her worries about money. Doesn't sound Amish to me. The Goodread's summary isn't correct. I think they confused Rachel and Rebecca. Rebecca's section of the story takes place in Wheat Ridge. Rebecca has already returned from Milroy where she helped Leona with her baby. Perhaps she will return to Milroy in the third book.

Jordan Michaels says

I enjoyed reading this Amish story. It was warm and enlightening. However, I am saddened to see Rebecca portrayed as so flighty. I don't know any women that are really like that. At the same time it makes me feel not really "good" but confirmed finding that they perhaps have women that are money hungry like Rachel is portrayed to be. Why is it so hard for some people to accept that money simply isn't all that necessary to lead a happy, love filled life?

Sue Klasing says

Love this series, starting #3 immediately.

TheReadingKnitter/ Kasey says

I liked this book a lot more then the first in the series. It dragged for me a bit in the middle where it was just about how upset they were about John. And I was sure that something more would go on with Emma but I guess that will be saved for the third book.
