Love, love, loved this! Seriously swooning....Oh how I've missed you Dimitri <3

Jessica's Totally Over The Top Book Obsession says

this is a little short story in the 10 anniversary Vampire Academy book. It gave a little peak as to what Dimitri thought of Rose when they first met!

Bea says

My reaction when I found out there was a **Dimka POV**
HERE IT IS OMG.

Oh, Dimitri, my love.

SWOOOOOOOON. LOOK AT THIS FINE PIECE OF MAN. ROSE YOU LUCKY WOMAN.

I can't even contain my happiness. Dimitri's POV was great!
Now, it wasn't perfect. It was completely different from what I was expecting. But then, Richelle Mead probably didn't think too much of this since it was a very short scene. I loved how Dimitri was so allured by Rose, it was so flipping cute!

From what I've read, Richelle won't be making a full length novel of VA from Dimitri's POV.

Despite fans of Vampire Academy's pleas, we probably won't get another Dimitri scene in a while. Sad, I know. But maybe if we bug Richelle even further she might?! Or just get annoyed... but **OPTIMISM IS THE WAY, PEOPLE.**

In conclusion. READ THIS. I don't care if you aren't a Dimitri fan (but let's be real. THIS IS DIMITRI) READ THIS.

I am so excited for the movie too! *Le sigh*

Aren't they cute together?

"She might be unarmed, but Rose Hathaway was in possession of many weapons."

W-what?? Really? That's all we get :(? That was the biggest damn tease EVER!!! It's Dimitri's POV for crying out loud and all we get is 3 measly pages! B-b-but its Dimitri!!! I love him and that was just not enough. I'm sorry, I just needed MORE. Okay... okay fine, it was really cute while it lasted. The *Vampire Academy* series IS and forever will be MY #1 favorite ever!!!! Rose and Dimitri are the best fictional couple and they go together like pb&j :D

(Rose + Dimitri = Always & Forever)

Watch me break out my epic wordsmith abilities.

Dimitri. Dimitri. Dimitri. Dimitri. Dimitri. Dimitri. Dimitri.

Take a picture. My rare fangirl state only appears once every Dimitri sighting, and then it's gone and I'm back to pretending to be above this kind of behavior.

Dimitri fans? What are you waiting for? Here's the link to the story.

Non-Dimitri fans? I'm putting you in time out with my special friend Ash (team Javier, REALLY?).

Miriam Mathew says

Richelle Mead, I adore you. Is there a cult somewhere that I can join? Because I feel absolutely blessed for Dimitri. And Adrian. And Seth. And Roman...Carter. Dorian. Pretty much every love interest you've written.

Oh, am I supposed to review this short with something than utter fawning? I'll tone down the adulation but overall: it's a nice, fun short. Rose is being her kick-ass self. Oh, and it's in Dimitri's perspective!! Some slaying action going on.

P.S If anybody wants to know where I read the short story, it can be read here.

Pearl Angeli says

So I've read this short story after reading the Vampire Academy and I was happy to read Dimitri's POV here. I've noticed there was an insta-love going on? Anyway, this made me conclude that somehow, Dimitri and Rose's feelings for each other was mutual since the very beginning. Nothing special really happened in this short story, but it was worth a read nevertheless.

Anna says

oh, I remember that... it was a public-competition and Richelle Mead promised that if she won the prize for the Last Sacrifice she would write the first meeting of Rose and Dimitri from Dimitri's POV. She didn't win the prize, but - as good a person as she is - she decided to write it anyway.

I really don't like all these new trends that we need to know what the man of our lovely duet thought when he first saw the girl (aka Edward from Twilight, Four from Divergence or Grey from 50 shades - blah...), but Dimitri is a level just himself!

And he is cute... and lovely... and fictional....

Jennifer says

The Meeting is a three-page long novella (#1.1) in Richelle Mead's young-adult, paranormal series titled Vampire Academy. This super short story offers Dimitri's POV during one of the first scenes in Vampire Academy when Rose and Lissa are caught from runaway status.

"I also don't plan on ever underestimating you again, wild girl, I thought, momentarily locking eyes with her. And I'll make sure no one else ever underestimates you either."

If you haven't experienced this series in a while, the brief revisit may cause you to consider a re-read...that is if you enjoyed it the first time around like me :)

The Meeting by Richelle Mead

1.1 in the Vampire Academy series

5 million stars

Remember when Rose and Dimitri first met in the first installment of Vampire Academy? Remember how awesome that was? No, well how about reading this from Dimitri's POV? Doesn't that sound amazing? Guess what! It was amazing! So amazing! Dimitri Belikov finally gets his own POV in something written by the lovely, Richelle Mead. It was literally the best thing to read if you're waiting for The Fiery Heart and need something to reenter yourself into the world of VA and Bloodlines.

Dimitri is forever going to be one of my favorite fictional heroes ever. He is so swoon worthy that it should be a crime. I absolutely love him and only gifs could describe my deep love for Dimitri Belikov.

I'm an array of emotions when it comes to Dimitri Belikov.

Swoon Worthy: My scale is broken. Dimitri Belikov is my definition of swoon.

Rose Hathaway through Dimitri's eyes is so... amazing to see. I've always wondered what Dimitri thought when he first met Rose and it's so interesting to see his perception of her. Can we just have VA written in his POV, but only the steamy parts? Rose is one of my favorite heroines and she will always be my favorite to go back and read about.

You can read this online here. Seriously read it! It is so short, but totally worth it and you will not be disappointed!

Hello Dimitri,

it's been a long time since we've last seen each other. I must say that I've missed you and our reconciliation has been bittersweet. It's been too short. As always you've been handsome, mysterious, stoic and awesome.

I might have to visit the Vampire Academy to see you once again.

See you soon,
M.

Susana says

And yes, even in the poor lighting, I could see that she was beautiful—in a deadly way—and that struck me too. Her pictures hadn't done her justice. Long, dark hair framed a face filled with the sort of hard-edged beauty a man might easily dash his heart against. Her eyes, though filled with hatred for me, still managed to be alluring—which only added to her danger.

I don't think I need to point out what didn't work out for me. -_-
And where the hell did this insta attraction for a teen appear?
Ugh.

Kelvin says

Dimitri's POV of the first scene of Vampire Academy when he brings Rose and the princess back to St. Vladimir. This is not exactly how I remembered Dimitri sounding... yes he is quiet and brooding but he's kind of soft in this scene. Still, it was fun seeing how enamored he was with Rose and his perceptiveness shone through when he gleaned so much information from Rose without either of them saying a word.
