The Complete Knight Trilogy Kitty French

*There's only one thing in life Lucien Knight really hates, and that's husbands who cheat on their wives.
There's only one problem in Sophie Black's life. Her cheating husband...
From the moment Lucien & Sophie meet, the seal is set.*

CEO of Knight Inc. Lucien Knight is catch-your-breath gorgeous and damaged by his troubled past in Norway. All grown up and relocated to London, he's built his empire of adult clubs from the ground up to become the gorgeous patron saint of the sex industry. No one knows the dark childhood secrets that have given Lucien a backbone of steel and a heart encased in ice.

No one until Sophie Black, that is...

From the moment girl-next-door Sophie accepts the job as Lucien Knight's PA, she understands how Alice must have felt when she tumbled down the rabbit hole.

Lucien takes her safe, vanilla life away and plunges her head first into a huge dish of fantasy flavours. Rich, spicy chocolate covered with dark, oozingly lickable sauce? Check. Tutti-frutti with indecently red, glistening cherries on the top? Yes please.

Lucien strips away all of Sophie's inhibitions, and when he instructs her to select three new toys, she soon realises he has more than a game of Monopoly on his mind...

He's opened the door to a whole new pleasure packed world without limits, and Sophie is utterly intoxicated. But how far is she willing to go? And what happens when she has to step back into reality again?

Wow! What an exciting ride! I loved every page of this series. A very Hot & Steamy read??? The characters, their development and growth, the sexy, steamy lovin, the broken hearts and the revelation that love can and does exist. Your emotions are literally pulled in every imaginable way. I shed tears and laughed out loud. A boy that doesn't believe in love and a girl that is a hopeless romantic...heartthrobbingly beautiful combo. There's so much more so don't pass this one up...A Must Read♥♥♥

Kayla says

This was my first series by Kitty French and all I can say is why did it take me so long to discover this book or Author!! This was one of the best series I have ever read! I've never laughed so much as I did reading this book! The story line was so unique and so addicting! The characters was so easy to fall in love with!! There isn't a bad thing to say about this series! The story line flowed flawlessly . I loved how the development of the story was never rushed and was one of the most believable romances I have read to date! It had the right amount of humor, troubled pasts and heartache! And one could only dream of a love like Lucien and Sophie! I just wasn't ready for this series to end!! I was definitely left wanting more of not only Lucien and Sophie but of Kara and Dylan! The depth that Kitty French went into with her characters was wonderful! The attention to detail was in itself truly well done. And it definitely didn't lack in melting your panties right off

from start to finish! I wish I could give it a 100 stars honestly! Bravo to Kitty French for hooking me in with a spectacular series!!

Fun, hot as heck but easy to read.

Absolutely loved it

I read the entire series over the weekend and enjoyed every single word. Lucien is the Viking sex god we all dream about. Sophie was married to an adulterous jerk. Kara is her best friend and Dylan/Mathew manages the club. That's the main characters.... Lucien doesn't believe in love or marriage but he had never met her before. She worms her way into his heart and all of his beliefs are shattered. Life IS better with her in his life. Kara has been used by her long term ex fiancé and meets Dylan who left home and reminders of terrible times behind him. My main issue is no one spends a few minutes asking questions or listening to explanations. Kara runs instead of just listening for 5 minutes. A great story and we may all need tickets to Norway to find more Viking sex gods like Lucien.

Lisa Miller says

My kind of Viking sex god

what can I say about this trilogy? it was better than I expected!
Lucien Knight has to be one of the sexiest men out there! The story revolves around Sophie and Lucien's love story. It's not always great, but I loved every minute of it! Lucien is a self made entrepreneur. He owns Knight inc. - high end sex shops and clubs. He meets Sophie when she applies to be his PA. shortly after, she finds out her husband is having an affair. She can't stay away from Lucien, even though she knows he will never commit. he whisks her off to different places around the world which begins their awesome love story. This series does have an HEA!! Even Sophie's best friend gets an HEA!! Truly, a trilogy to be cherished!!

Trish Kitty Taylor *UNBOUND BOOK REVIEWS*** says**

Lucien Knight is everything & more that I would pick for my alpha - strong, dominant, smolderingly sexy, assured, mysterious - yup I have a very long hawt list. Add to the mix a troubled past & broken heart & a deep rooted self protection ideal & he will just waltz right in & steal your heart.
Sophie, well she is funny, quirky, reserved & sad.. She struggles to not be the woman she is & fights so hard to be the woman she knows she can be - with the help of one mighty fine Mr Knight. The first 2 books take you through their time together, how they allowed to find solace in each other's arms, loved & lost & found eternal happiness through their darkest moments - I loved it!!
Book 3 is an extension of Lucien & Sophie's relationship, but with a huge angle on her best friend Kara & the knock out, gorgeous, troubled, scared Dylan Day!! Yikes he gives Lucien a run for his money in the hawt

stakes, but what I love about this book is not only the damn heartache Dylan & Kara plough through to win against adversity, but how Lucien finds a true friend in Dylan & how their friendship develops. Got to say I thoroughly enjoyed this trilogy & what a set of books to introduce me to this amazing author. Highly recommended..

Caterena says

Love Lucian and Sohie

A great story with a few expected and unexpected turns. The settings and the sex I was able to see and feel. The characters were developed being able to get all of their perspectives. I would have liked to hear more about that ratbastard Dan's troubles

Kim Kimble says

A must read

I fell in love with this trilogy. It is definitely a must read. I just loved it and could not put it down. So easy to fall in love with the character.

Silver Passion says

Knight

Lucien just saying his name makes you sweat. He is that rough around the edges type. The Viking/ caveman with a voracious appetite and every bit dangerous. Sophie didn't have a prayer. Sophie the innocent wallflower turned naughty vixen.

Dylan and Kara... are just as insatiable as Lucien and Sophie. Though trouble brews on the back burner, their chemistry is needs it's own periodic table. Both stories have good substance to them. It read well.

Becky says

I read each book individually, totally recommend box set, Lucien is one viking alpha man. hot hot hot.

Shirley says

Knight and Play: read about this book when I was reading Broken by Kelly Elliott another brilliant book but reading about how Sophie and Lucien meet had me laughing and hot but was class as was the rest of the book the ups and downs and hots moments is what this book

Knight and Stay: well carrying on with hot hot hot and revealing so much about their lives and how Lucien was closed off to love and family how Sophie is just amazing, smart, caring and strong hope to have half her strength would be good

Knight and Day: wow! This was about Kara and Dylan and what an explosive pair together it's was funny how they meet loved it and laughed as hard as Dylan did you got to see how Sophie's best friend Kara is and she just as brilliant love the nickname given to them and you knew there was secrets and lies and it was going to go wrong but the surprise ending didn't see coming
Overall just a brilliant read 5 stars defo
