Caught on Camera: Part One Lily Harlem

When Reece Carter is caught on camera canoodling with hunky gardener Cade Davenport, a new, super-sexy opportunity presents itself that he just can't walk away from.

Reece Carter is sweating the in dirt and feeling the heat. It's a scorching hot day and he's slaving away indoors. But at least he has a nice view from the window—sexy gardener Cade Davenport—no job too big or too small—who is mowing the lawn minus his shirt.

Soon thirst overcomes Reece and he finds himself swimming, kissing and getting frisky in the hot tub with the super-confident, seize-the-moment Cade, whose wit, humour and cocky smile is irresistible.

What Reece doesn't know is that the walls have ears and the trees have eyes. His every moan, gasp and erotic move is being recorded in fine and shocking detail.

But what does that mean? And what about the intriguing offer Cade puts to him? Shouldn't he just punch his lights out for filming him without permission? And will Reece's life ever be the same again after being caught on camera?

Teri says

Quick, hot short freebie. No real time to get to know the characters, hope the next one has a bit more character development. But if you are just looking for a quick, hot read, pick it up.

Steff says

wow just wow

Lily brings to characters and senses together in an unbelievable way, you can actually feel like you are watching this happen. I cannot wait of part 2

I received this copy from the author in return for an honest review.

A fun, dirty, unabashedly explicit tale of an accidental porn star. M/m. Yes, really. I can't wait to read parts 4 & 5!

Original Blog Post: Totally Bound Blog Tour, eARC Review & Guest Post: Caught on Camera Serial by Lily Harlem

My Rating: 4 of 4 Stars
(Based on Short&Light Read Category)

Those of you who are looking for a short, HOT! read are sure to not only fan yourselves silly, but learn a few new things along the read.

This is the story of how one young man in financial difficulties suddenly finds himself a movie star. Well, a porn movie but still a movie and best of all, he gets to do the deed with a guy he really likes and he gets paid with lots of mullah. Not something he wants to write home to mama about but definitely it is something he finds himself liking to do. And the money is great.

So we have Reece, a decorator trying to make ends meet, looking out the window and seeing this hunky gardener he knows only as Cade. When Cade takes off his shirt, his paint slips over the window frame so he knew he was not focused. When he brings over a can of beer to cool down and rest a bit with the gardener, he does not know if he is dealing with a straight guy or a gay one. Either way, he had to satisfy his curiosity.

When Cade offers him an afternoon of delight, Reece takes it with a smile. And the erotic ride unfolds until he goes home and sees the message sent over by Cade.

In the second book, Reece finds himself getting a movie offer and Cade as his leading man. He can hardly resist, not after knowing he enjoyed himself to the max and is receiving enough compensation for his hard work. When the camera light goes on, Reece and Cade play out their roles. The only question is: are they playing themselves or are they acting.

This is not a romance, neither is this drama. This is just a plain, HOT! read I would consider an afternoon delight. The two books are short as can be but never once was I left hanging. Now the only warning I can give out is: if you are not open to the thought of two men acting out their fantasies in front of the camera and get paid for it, then this is not for you.

Otherwise, ladies, this is HOT! (I think I said HOT! more than enough but it's worth repeating :D) HOT!

Veronica of V's Reads says

Reese is a decorator painting the master bedroom of a wealthy client, but he's distracted by the sexy gardener. On an impulse, he brings the man a soda. They get to chatting, and Cade reveals how he spends a lot of time at this estate. How he owners aren't home much. And how he'd love a swim on this hot summer day.

What happens next rocks Reese's world. It's hot with a capital "H". Cade makes Reese think he's up for more--to Reese's delight, but...well, recall the title: Caught on Camera? Yep, there's a catch here for sure. Cade has a proposition that could make or break their tenuous relation--and Reese has a big decision to make.

Cannot wait to read on! So much sexy packed into this novella-sized morsel.

This was a hot, fun short read. Reece the Decorator sees hot Gardener Cade mowing the lawn, one thing leads to another and Reece finds himself with an unusual proposition from Cade. I will have to read book 2 to find out what happens next.

Inked Reads says

Whew.. Designer meets Gardener and things get HOT.

Reece has been hired to repaint a room for Mrs. Henley-Smythe, but what he finds is an extremely hot man working on the yard out back. When Reece can no longer stand it, he heads down to see if the man takes his bait.

Not only does Cade, the gardener, take his bait, he takes things up another notch. Things get heated in the pool, hot tub and on the deck.

Reece can't believe what has happened especially when Cade comes to find him and exchange numbers. Maybe this is his chance at finding someone to help him get over the brutal breakup he went through.

Oh but, there is so much more in play than Cade let on.

I flew through this as I couldn't stop reading! I had to know what they were going next. Loved both the men and the situation felt genuine and was incredibly sexy. Can't wait for more!

I was given this in return for an honest review by Inked Rainbow Reads.

Spoiler Alert! What a complete jackass Cade was. I just knew he was up to something. I was also really pissed that Reece wasn't more upset about Cade filming them having sex, even if it was really hot.

Caught on Camera Part 1 by Lily Harlem

WOW what a great start in the series. You know what is even better? It is free! I will share the link below. Reece is an interior decorator trying to get his work done till he sees a hot man outside mowing the lawn, He cannot concentrate and he has to talk to this man to see which team he bats for. Cade is slaving away in the heat mowing on the lawn when he looks up at a window and sees a man staring down at him. What Reece didn't know is that Cade was drinking him in behind his sunglasses. Reece decides to go downstairs to talk to Cade. Who knew Cade would be so forward? Well things escalate quickly but I am not complaining at all. Sometimes when you want something so bad you just go for it! After everything is all said and done when the job was finished for the day Cade sends Reece a message that will change his life forever. What is it you might ask? Well I am not going to give that away. These two sure know how to steam up the pages together. I received this book as a gift from the author.

Another sexy short read from this brilliant author. If you like red hot M/M action then you seriously need to read this. It's the first in a series and I for one cannot wait for the next steamy part.

Kevin says

This is a hot episode. It's only the start of a story. A painter (called a decorator here) encounters a gardener and they have sex in the pool of their client's house. The catch is that the gardener films it and offers the painter a chance to act in porno movies.

Alison says

Reece is a decorator with pretty boy looks and gets distracted whilst painting the bedroom of a rich socialite by the buff gardener, Cade, that appears one day.

Within hours they are embarking on a rather hot adventure involving swimming pools, hotubs and pool loungers.

After exchanging numbers Reece receives a message from Cade - a video message and Reece realises that he has been played but Cade has an interesting proposition....

I don't normally enjoy reading serials as they always end on a stinker of a cliffhanger but this one just leaves you wanting more!!!

I received a copy of this book from the author in exchange for an honest review.

Leanne Crabtree says

Unlike the other short M/M book I've read today, I didn't particularly enjoy this one. It started good but I lost interest once things started heating up between our decorator and gardener. It just didn't grab me, it was all sex with no feelings...maybe I'm being unfair by comparing it to the one I like better earlier, Bare-Knuckle Love, but that's the way I'm feeling right now.

I won't be continuing the series.

Ele Wilson says

Everyday decorator, Reece Carter has his world turned upside down when he encounters handsome gardener Cade Davenport for the first time. Going about his daily decorating job, Reece can't help but notice the hunky gardener with his bulging muscles and it isn't long before he lets his imagination run wild.

He takes 5 mins to just stand and drink in the fine form of this man who is expertly tackling the lawnonly to be caught! Reece plucks up enough confidence to go and offer Cade a drink and it isn't long before things turn a little naughty.

It's been a long time since Reece has had any male attention and is amazed by how much he craves the feel

of another man. What follows is hard, fast, horny, rampant sex in various locations around the garden as Cade certainly seems to know what he's doing. The early arrival of the occupants of the house soon puts a stop to their antics, but Reece can't help but wonder if more is to come. Cade had really left his mark on him and he couldn't wait to hopefully meet up again.

It seems that Cade had similar ideas when he later sends Reece a text message, but all is not as it seems!

Lily writes with such passion and vigour making this a really hot little read. It's the first book M/M book I've read and although I did struggle a little, I still really enjoyed it. I look forward to reading part 2.

Bev says

Nice start to the Caught on Camera serialisation. Reece and Cade make one hot couple, the country house in Wiltshire (gorgeous) is a stunning backdrop to their hanky panky, and as Reece arrives home at his flat with the broken lift and the corridor stinking of piss, he receives a message and an unexpected video from Cade. 4 stars from me.
