This bundle contains novellas #3.5, #4.5 and #5.5 in the bestselling, award-winning BEYOND series. Catch up before the explosive seventh book comes out later this year!

#### Beyond Temptation - Novella #3.5

Hacker Noah Lennox lives in the shadows, fighting a one-man war against the corrupt leader of Sector Five. The only weak spot in his armor is his best friend's sweet younger sister--the girl he swore to save, even from himself. With her brother dead and a target on their backs, getting her out of the sector--and out of danger--meant giving her up for good.

Or so he thought.

Emma Cibulski has made her own home in Sector Four, as a full member of the O'Kane gang and apprentice to their infamous tattoo artist. When Noah--the first man she ever loved--stumbles back into her life, it's her chance to have it all. The spark between them burns hotter than ever, and this time her fantasies are far from innocent.

But can they handle the heat...or will Noah's dark secrets drive them apart forever?

#### Beyond Solitude - Novella #4.5

Mia risked everything to walk away from a gilded cage in Sector Two, but grasping at freedom was only her first trial. With no protection in the sectors, every day is a struggle to stay alive. Her best hope now is a job working for the most dangerous gang in Sector Four--the O'Kanes.

When a motorcycle accident leaves Derek Ford riding a desk at the O'Kane compound, the last thing he needs is a sexy new assistant upending his office and his life. Especially someone like Mia, who greets his growls and commands with smiles and a fierce independence.

The friction between them generates an undeniable heat, and Mia's stubborn refusal to let life beat her down stirs Ford's darkest protective instincts. He has the power to take care of her, protect her not only from discomfort but from threats of her past...but first he'd have to claim her.

And Mia will never be kept again.

#### Beyond Possession - Novella #5.5

Tatiana Stone has worked hard to establish herself as one of Sector Four's most skilled crafters. All she wants is peace--but the sins of her father haunt her. He ruled the sector as a petty tyrant before the O'Kane takeover, and plenty of people harbor bitter memories of his cruelty. Especially now that Tatiana's beloved baby sister has fallen in with a man who wants to start a revolution.

Zan failed his boss once, and it won't happen again. So when Dallas O'Kane asks him to defuse the rebellion brewing in the sector, he'll do whatever it takes to get the job done--including seduce Tatiana. It's the perfect opportunity to get closer to the pretty crafter and complete his mission. But what he discovers is a fiery,

passionate woman--and an affair that could destroy them both.

## **From Reader Review Beyond Series Novella Bundle for online ebook**

### **Brigitte Campbell says**

**Wow. Just...wow.**

I need more of Sector 4. This series just took my breath away. The stories, the writing, the editing...everything was just about perfect.

I read a lot, and I need a book to grab me by the throat in order to take the time to write a review. This series grabbed my throat, my heart and my va jayjay!!

The heroes are sexy, strong, and some are a little damaged, but they love hard. The heroines are everything I wish I was - bold, brave despite situations that should have broken them, sensual and sexy.

I highly recommend this series. I'm on to the spin-offs now.

Happy reading!!
