Michael Zhang says

Snow is awesome

It's about snow and it is awesome and it has princess and fairies and tricks,I also like it because it's fun

PWRL says

SM

Ryan Brandenberger says

My girls loved reading this for bedtime!!!

So fun! We loved this book! Glad it was here! Amazon has such great choices of books to read with my kids.

Sharlet Mullen says

Gotta love all the Dora books. This is set just like the tv show so there can be so much interaction while reading. Gotta call map and save the princess. As my daughter says when we read this I want to jump in a book too, it would be such an adventure.

Leila T. says

The adventure parts are cool, and I'm glad the witch isn't "ugly", but i wish her nose wasn't noticably bigger than the other human characters, and i definitely wish this story didn't advocate jumping on ("into") books.

Katieb (MundieMoms) says

My little girl LOVES the Dora stories. This is one of her favorites.

Kate Stead says

We have a lot of good books and yet this is one of the ones that my kids go back to time and again. I don't know if it's the familiarity from TV or whether they like that Dora, a kid like them, saves the day, but they sure do love it. It's not a bad story, so if your kids love Dora, this is a good one (or good collection) to get for them.

Cassandra says

I'm not a huge fan of Dora but I can see how this goes along with the tv show.

Keshia says

My four year old daughter loves Dora. SHe asks me to read this to her.

J. Boo says

Absolutely and entirely ghastly. No narrative flow. Very much structured like a TV episode. 'I'm here! Now I'm somewhere else! Now I'm over there!'

Unfortunately, both my children really liked it. (*) To quote DD(3), "Dora has a dress!" Who am I to argue?

1 star from me, 5 from them

(*) I do invest a lot of effort into dramatic reading of the material, such as it is. I'd be tempted not to for this bilge, but a) it would be too horrifying if they still enjoyed it and b) I'd be bored to tears otherwise.

Oduenyi says

Kids loved it

Felt just like watching Dora on tv, the questions, call to action. It was all very participatory and the kids loved it

Vicki Tsao says

Awesome.....

It's awesome ? I'm Kelly Huang (7 years old) I like Dora I like her because she does adventures I want to do an a adventure.?????

Alexis says

Abysmal. But the message told at the end - that anyone can feel like a prince or princess if they are kind, brave, and help their friends - is nice. Except the story itself doesn't really reflect that.

Amy Shackelford says

Helped my sister fall asleep!!!

if you have a child or a sibling this is the perfect book for you Plus I love for a for some reason
