Summer of Her Cowboy

Never fall in love. Never get married. Logan Hunt knows all the things he doesn't want. But his daughter needs a summer nanny and darn if Grace Flynn doesn't fit the bill...and then some. The sweetly alluring kindergarten teacher is showing the die-hard bachelor a thing or two about fatherhood. It's her effect on his libido—and heart—that's keeping him up nights.

Did Grace really think her crush on Logan would magically vanish when she moved in with him and his adorable little girl? Still, she never thought the broody rancher with the intense baby blues would turn out to be the cowboy of her dreams! All she ever wanted was a real home. Could her place to belong be with this unexpected family man?
