Hye-Kyung Baek

Bring It On!, Volume 1 Hye-Kyung Baek

Tomboy Mi-Ha is an extremely active and competitive girl who never likes to lose to anyone. She's such a tomboy that all boys are scared of her, and that's exactly what her brother wanted and trained her to be. It took him six long years to train her into a pseudo-military style girl to protect her from anyone else. Bishonen Sung-Suh is a new transfer student who's got the looks, the determination, and attitude to sweep her off the feet. Could this male beauty be able to tame the beast? Will Mi-Ha's brother let them be together and happily ever after? If you want it you've got to Bring It On!

hissi says

A story about a tough girl and a soft-looking boy

Bianca Singh says

Funniest book I have ever read! The story starts with the main character- I don't know how to spell the name, so I'll saw B. B is a tough girl with man like strength. When she discovers a 'old man' (handsome man) in the bathroom (girls) she freaks out. When he wakes up, she punches him knocking him unconscious. She drags him and puts him in a taxi cab. Later, while in class she finds out that he was actually a transfer student in class. He says that since she punched him and put him in a cab (which maxed out at 999.99\$) she keeps trying to get even with her.

Dorcas says

This was a surprisingly good story, a romantic comedy barely treading the line of angst. Miha is a tomboy, tall and athletic. One day, after finishing her morning run to the campus grounds she finds a young man passed out on the floor of the girls shower room. Unsure if he's a pervert or someone in need, she wakes him. He's cute, but cranky. A tussle ensues and she ends up knocking him out and stuffing him in a cab. When she finally gets to class, guess who's one of the transfer students. I'll definitely plan on picking up the rest of this series. The fifth volume comes out this June.

My Heavenly Hockey Club by Ai Morinaga

Vi says

Tomboy Miha is an extremely boyish and physically strong girl because of her conniving brother. However, a chance encounter with the cutest boy in school might change her life.

This book is a riot and I devoured the silly characters.

CJ - It's only a Paper Moon says

3.7

Sarah ~Sehrenity~ says

Loved it. The main couple is snarky without being mean to one another. The lead guy is appropriately mysterious with hints of misunderstanding. The lead gal is strong and no-nonsense. Read it straight through, even though I should have been sleeping. ;)

Lord says

Not bad. Although the story goes as "I've seen this thousand times before", there are some really funny moments and artwork's also sometimes cute, although not above average manhwa for girls.

Kate says

I picked up this cute little five-volume manhwa series from my library on a whim one day. There isn't anything new here, but the characters are fun (I admit to having a weakness for fun-loving bishonen types like Seung-Suh) and the story never takes itself too seriously. It does get a little weird in the final volume, but the epilogue is interesting.

Reader17 Der says

I love this series. It is cute and it makes me laugh.

Kristy Buzbee says

This is a hilarious romance about a tomboy and a bishie punk - though it's not nearly as formulaic as it sounds. ;) Still waiting on the final volume; after a bankrupt translation company, we're finally getting it in June!

Razzleberry ^_^ says

Very funny! I really enjoyed it!
