Deborah says

Can Amy resist him?

Amy has decided for her own well being that she needs to end her relationship with Lucian, armed with her newly found backbone she's determined not to give in this time and she's doing so well until... She does something that forces Lucian's hand and his past is revealed, the event that's made him into the man he is today.

What will Amy do now will she walk? Or will she stay?

I knew when I started this series that it consisted of 17 incredibly short instalments but I'm getting a bit fed up of this now, it's seems almost as soon as I start a book it ends.

Jennifer says

WOW

Another twist the good Dr has a heart after all and it's been broken before and the scars run really deep, I'm hoping he will open it up some more for sweet Amy.....

Nate says

Wow, story is starting to come together now. Learning more about Lucian...tho feel bad about her friend Derrick...how will this play out? Hmmm guess we wait & see...

Leslie Reed says

Run away!

I am tired of Amy's game of running. In really gets on my nerves in part 8. If I were Lucian I would just let her run.

Kimberly says

This is another great installment! I love Sky Corgan books!

Well... Amy stands her ground and I'm happy to finally see her backbone. She doesn't back down when she's about to leave and sees a gorgeous woman on the other side of the door. Lucian asks Amy to stay while he deals with his client. Amy feels jealous, but she shouldn't feel anything because she's ending things with Lucian. She wanders back through his house and ends up in the master suite. Curiosity takes the better of her

and Amy looks at the turned-down pictures. She already thinks that Lucian is a cheater and seeing the photos confirms it in Amy's head. She finds photos of a beautiful woman with a charming young boy as well as a torn wedding photo. She suspects that Lucian tore himself out of it, but she doesn't know why. Lucian returns to find Amy looking at his photos and it's too much for him. He breaks down and tells Amy about the death of his wife and child two years prior. Amy is overcome with compassion for Lucian. She finally gets a glimpse into who he really is.

What secrets does part 9 hold for us? I can't wait!

Dina says

2 going-down-hill stars..

So this is how it feels like to go down hill..

Melissa Ogletree says

I received this book for an honest review.

Just when Amy is ready to walk away from Lucian forever he decides to give her a glimpse of the man he is underneath the Dom. He opens up about his past and part of what makes him as closed off as he is, now Amy has to decide is it enough for should she give him her sympathy and keep walking out the door?

Ok so it was nice to see Lucian is human and is capable of feelings and not just hormones, the issue is though the past he reveals is very real and so is his pain part of me can't help but feel too little too late. I want Amy to find someone who lifts her up and makes her feel as wonderful as she is not someone who brings out her insecurities and doubts. Yes he tells her she's beautiful but don't actions speak louder than words? I'll be interested in seeing if this human side of him sticks around or if he just uses it to try to keep Amy from walking away and reverts to his caveman ways. This is not a standalone and the series should be read in order, yes each part is short but it's meant to be.

Carol Miller says

The Best so Far

Part 8 is the best so far in regards to relationship between Amy and Lucien. I knew her resolve to leave wouldn't stay. What I didn't foresee was her going after the pictures that Lucien has turned over in his bedroom when his female client shows up. I understand Amy's first thoughts but I don't Lucien would have someone else show up for sex when he knew Amy would be there.

Although it worked out, I think Amy should walk away from him to see if he'll pursue her, especially since his revelations and his actions are leading her to believe there could be something meaningful between them. As always, this is a great series and if you happen to be reading this review and have not seen or read the other parts then please go back to Part 1. It's more than worth it!

Annmarie says

Okay we get some background but that's not enough to justify his asshole behavior. He whores himself out at Flesh, for goodness sake! He's not some hermit grieving widow. I want to know if he has been sleeping with other women this whole time. That's my question. I think he has, as he openly flirts with women in front of Amy and tells her he doesn't belong to her. Asshole! I feel bad about what happened to his family but that's no excuse to treat a good woman like shit.

Misty Walker says

This is a serial series, so you must listen to books 1-6 prior to this one. Flesh is a BDSM club and Lucian is a dom. Amy is curious about the lifestyle and came across Lucian not only through exploring the club but professionally as well. There is chemistry there, but Lucian is holding back.

I can't seem to stop listening, at this rate I will be desperate for the rest of them to be released!

The narration is great. It took a minute to get adjusted to the voices but now that I'm 7 books deep, I can't imagine it sounding any different.

Lynn Smith says

I received a ARC copy of this book in exchange for an honest review

Part 8 in the Flesh series. Amy finally stands up to Lucian and is ready to leave his house after telling him no. AS she opens the door a women is standing there and she thinks that the women is another one he is sleeping with. Lucian tells her she is just a client and wants Amy to wait. Amy decides to and while Lucian is busy she goes to this room to look at the pictures he has turned upside down. Lucian finds her there and for once.. finally he starts to open up.

I have enjoyed this series so far. There have been moments where it has made me want to scream. Now we are finally getting Lucians story. Knew there had to be one in there somewhere. I am proud of Amy for standing up for herself. Once the story is told the relationship takes a turn. Now we are getting somewhere.

Lori says

This is a awesome series. Part five does not disappoint. I am so anxious to find out if these two will have a happily ever after. To date their relationship has been a rollercoaster ride. I can not wait to find out what happens next.

Ashley Hedden says

In Flesh: Part Eight, Amy is fed up with Lucian's games. She tries to end the relationship forever.

Judy Lewis says

THE DARKNESS REVEALED !!!

Wowza! Flesh is a riveting new series by Sky Corgan and it is smokin hot! I love it! In Book One, Corgan expertly sets the stage for her story with an introduction to Flesh, an amazing experience for those who would like to safely test the waters in the world of BDSM with as much or as little as their heart desires. And oh my good glory, is it ever sexy! In Book Two, Corgan now delves into the development and personality of the characters. In Book Three, Corgan begins to build the heat to a slow sensual burn! In Book Four, Corgan begins to kick up the heat! In Book Five, as the heat blazes and attraction builds for our two main characters, we see more of their individual personalities, their fears and desires. In Book Six, Corgan begins to reveal the true nature of Dr Lucian Reddick and the darkness of the beast that lies within him. In Book Seven, a surprising and totally unexpected connection is revealed that further complicates an already complex personal/work relationship between Lucian, Derrick and Amy. And now in Book Eight, Corgan finally reveals the dark secret and heart breaking guilt Lucian holds within his heart and soul. No, no no! No spoilers from me! But I will say this...I cried my eyes out! Oh my! Somebody call 911! Sky Corgan is a woman on fire and judging by what I've read so far, this is only going to get better! Good Golly Miss Molly - I am now officially hooked - hook, line and sinker! The story is exciting, thrilling, enticing, compelling, riveting, erotic, sensual and steamy. And did I say hot? Well, it's HOT! The dialogue is smart, seductive, arousing, very well written and flows effortlessly. The characters are fascinating, captivating, engaging, intriguing and sexy as sin. Corgan uses her amazing talent, unparalleled skill and unique style to brilliantly combine these elements into a wonderfully entertaining and superbly satisfying read. Amy Underwood is in a rut. Her life is boring and she hasn't had sex in seven years. She loves her job as an interior designer and decorator at Environ Design and Derrick, her gay, work boyfriend is great but none of that satisfies her sexual needs. God, so pathetic! Her roommate Janice finally convinces her to sign up for a session at Flesh but good lord, she's never even had sex unless she was in a relationship. How in the world is she supposed to be naked in front of some stranger much less participate in some kinky BDSM scene. Oh well, maybe she could just dip a toe to see if the water is warm. Just one time, that's all. Maybe then her roommate will stop bugging her about it. Yep, she'll try it once and never go back. Or will she? But her mysterious, sexy one night only Dom, only known as "Sir", just may have something else in mind. Oh my! Was their chance client meeting strictly a coincidence or was it "strictly" set up by none other than Mr Mystery Man himself, wealthy, well known plastic surgeon, Dr Lucian Reddick? Hmmm.....I wonder??? It seems the dominant Dr Reddick has plans for the lovely shy Amy Underwood. And what are those plans? Well, I don't like to give spoilers but I will say that we see much more of what he has planned for the lovely innocent Amy in this installment but I suspect the best is yet to come! And his plans include a lot more than working with her to redecorate his home. He definitely wants to sample her beauty and see how the creamy flesh of Amy's body looks draped across his bed! A perfect accent to the room decor - especially if she's tied up and waiting for him! It seems the irresistible Lucian Reddick is very involved in the BDSM lifestyle and wants Amy to be involved as well. He invites her to Fleshfest to try to initiate her into his world. Amy doesn't like what she finds at Fleshfest especially when she discovers another woman in Lucian's lap! What? But the innocent naive Amy struggles with the morality of the BDSM lifestyle and unlike her roommate, is not eager to become a willing participant. She would never become a submissive and participate in a staged scene in front of other people! Never say never! But just what will Amy do to keep her job! Or is her job just an excuse to

continue to see the handsome Lucian? Me thinks Amy doth protest too much! Amy has already dipped a toe to test the water but she better know how to swim because she's definitely in deep water and apparently she can't decide if she wants to sink, or swim with Sir. But Amy has no idea that within the handsome Lucian Reddick lies a blackened tortured soul with dark desires - for her! Will those desires cost her everything - her job, her friendships, her sanity, her very soul? Which path will she choose? Or possibly, who will she choose? Hmmm.....Yowza! And that little rascal Derrick, he is just a stinker but a lovable stinker! I guess we'll find out more in Book Nine! I can hardly wait! Oh, Oh, Oh! It's just so exciting! I was turning the pages so fast, my iPad couldn't keep up! I can't get enough of this series! Fabulous entertainment and an awesome read!

Jeanne says

I received an arc of this book for an honest review. Just when I thought Amy had come to her senses, Lucian wraps her around his finger once again. This time he opens himself up to her, sharing some of his past. Will Sky drop another bomb in Part Nine? I can't wait to find out!
