I'd watched and liked the anime version when I was still a kid.

For now, I got no plans for buying a copy.

There was something in the way all of the characters came together that I found irresistibly compelling about this series. It did remind me a lot of Ouran while I was reading it and maybe that is why I liked it so much. Tsukushi is an interesting protagonist, I loved when she started taking action and sticking up for herself.

While I wasn't overly fond of the artwork style I was able to get past it because I my love for the storyline. This is an honest story with twists and turns, ups and downs, but then again that is real life.

I would really recommend watching the anime too!

Why do all the guys have to fall in love with Tsukashi??? Duh! And she falls for each and every one of them.

As Tsukasa says "lecherous woman"...! ;P

Miss Ryoko says

I really loved this volume!! It was full of silliness and craziness...and OMG I love Tsukushi! At the end... I wanted to jump right in the pages and kiss her full on the lips for being so amazing!!

I'm starting volume 25 RIGHT NOW! :-p

p.s. Tsubaki!! I love her!!

V says

And then the supposedly cousin was a fake. It was just a plot by Tsukasa' mom to seduce Tsukushi away. However, this fake cousin turned out liking Tsukushi so he backed out from the deal and confessed his feelings for her in front of her friends. What is with this girl? All guys are falling for her.

It was a funny scene when Tsukasa, big sis and Akira rode the train looking for their real cousin hahaha.

I really like this fake cousin! The art...gets better and better...I can see some Fuyumi Souryo in the art :)
That's great!

Emmy Lou says

Tsukasa's cousin isn't being honest with Tsukushi... can she put two and two together before it's too late?
