Four Horsemen MC Boxed Set: Books 1-2 Cynthia Rayne

Two sexy bikers in one boxed set. Take a wild ride on the road to Hell...Texas, that is. This boxed set contains both Sweet Perdition and Hot as Hades.

Sweet Perdition

She's been a good girl too long--now she's ready to be bad. And on the back of a Harley is the best way to get there. Elizabeth Williams, single small-town librarian, knows she doesn't belong in the notorious biker bar, Perdition. Especially not alone, in a frilly pink bridesmaid dress. But after watching her best friend marry her ex-boyfriend, she's ready to drink her cares away. And break out of the good girl mold she's been stuck in most of her life.

Ryker, member of the Four Horsemen MC, can't take his eyes off the gorgeous, curvy redhead at his club's bar. He suddenly has a taste for pink ... and he's going to get him some. Just for one night, of course, because Ryker doesn't do relationships. Ever.

One night turns into more--until a wild party and a pair of naked blondes get in the way. Now she's ready to run, and his pride demands he let her go. But when Elizabeth's ex begins to stalk her, Ryker realizes he'll do anything to keep her safe.

Hot as Hades

Saddle up for another wild ride with the Four Horsemen. Ex-Marine Daisy Weston is going undercover, by uncovering it all. Every night the pretty blonde wraps herself around a pole in a club owned by the Raptors MC--the club involved in her sister's disappearance. One lap dance at a time, Daisy gets closer to discovering Rose's whereabouts. She intends to free Rose, no matter who she has to do. There's just one big, muscular obstacle in her way--a handsome biker named Cowboy who won't leave her the hell alone. And what's worse, she's not sure she wants him to.

Former rodeo star, Cowboy, poses as a customer in the strip club for The Four Horsemen MC. He and his brothers despise the Raptors for running drugs and women, and they'll go to any lengths to bring the Raptors down. But when Cowboy's search for intel puts him up close and real personal with Daisy, he realizes she's no ordinary stripper. This stripper is on a mission--one that might end her life, unless he can keep her alive. He lays down the MC law--either she works with him, or she doesn't work at the club at all. Things get even more complicated when he finds himself falling for the sexy, feisty ex-Marine. Putting her in harm's way every night is more and more difficult, but it's too late to stop. They have to rescue Rose before the Raptors discover who they really are.

Okay

Okay read, nothing out of the ordinary. Second book was better than the first. The librarian in the first book was irritating and stupid the next female more gutsy.

Susan Curtis says

Awesome ???

Loved this Four Horsemen MC box set and can't wait to read the rest of the books. Cynthia Rayne is a new author for me and I am so glad that I found her work. Well developed characters and storyline with intriguing plots. Totally recommend it ???

2 For The Price Of One And Both Freaking Awesome

I don't normally read MC romance but something about this set drew me in. OMG, are they hot!! Sexy, steamy, melt your panties hot!! While there is some suspense, it's not filled with violence like a lot of MC romance books. Great storyline, very likable characters, although at times I wanted to slap the crap outta Ryker and Cowboy certainly had his moments too. If you like MC books this is definitely one you wanna read.

This is the first books I have read by Cynthia Rayne and it will not be the last. I love a good MC Romance and Ms Rayne did not disappoint with these two books.

Sweet Perdition is a great start to this series. I love the two main character Elizabeth and Ryker an the fact they are total opposites. A small-town librarian and a member of the Four Horsemen MC their worlds should never have collided, ooh but when they did... This book is a fun, hot, sexy, steamy read.

In Hot as Hades the two main characters are Ex-Marine Daisy Weston and Former rodeo star Cowboy (member of the Four Horsemen MC), who meet in a very unlikely place. This book is longer than the first one and is a darker read. We learn more about the Four Horsemen MC in this book, which just makes me want to read more of this series. This book is a hot, sexy, steamy read.

I really loved reading these two books and look forward to reading the whole of the series. I recommend this

read.

Wow!!

This is the first time reading this author. Amazing! Wicked writing. Grabs ahold of you and don't let go. Go on a journey with the Four Horseman!

Cynthia L. Turner says

WOW!!!!!!!!!!

The first two books in this series pack quite a wallop! Action, adventure, mystery, romance, intrigue, and suspense. All of the characters are well written with so much depth. The plot of each book will keep the reader engaged. Well done!

Faye says

Each story is a stand alone with a HEA but there are more in the series. I do want to read more as these two were just a taste for what I am sure are some more very hot and good reads!

Shatire says

Absolutely Love It

I don't read many MC romances, and it's not that I don't like them. It's hard finding a good MC romance, but Rayne did a wonderful job. I love the Hell theme throughout the series. The Four Horsemen are totally bada**, but genuinely have good hearts. They get justice for the weak and unable.

The women are sassy and don't sh*t from anyone, including the guys. Eddie is my spirit animal. I would never cross that woman. The series is focused on brotherhood and family, not just sex and action.

Be aware that book 2's plot is very dark. There's drugs and attempted rape on more than one occasion. Just an abundance of disrespect towards women by men. The Four Horsemen aren't the men in question.

KEESA says

If you love hot sexy reads of Bikers, then these books are for you! start you can't stop! Very well written !
You keep coming back for more

Loved this story

Great, hot, independently strong, full of piss and vinegar female with trust issues meets bad boy biker tough guy, what could be sexier. Solid characters, well written, full of action. Cynthia Rayne has done a great job with this story

Carol Tietsworth says

MC books have really come up classwards, I expected this to be the dirty biker good girl stuff, and in a way it was, but in these two books, the dirty guy was normally a townie, and the biker saved the good girl. I like books where a woman doesn't need a hero, but if there is a hero out there, no harm, no foul.

Autumn Bryant says

Great Read

Hot alpha bikers that make you swoon. Filled with drama, hot scenes, and strong storylines this is a definite must read.
