Oh how cool is this! I wasn't expecting to find a neat little long epilogue to the Search & Rescue series, but there it was just in time to get readers jazzed for the author's new K-9 Rescue series. A brief drop in with all four couples to see how they are fairing in romantic mountain bliss left me smiling and sighing.

This is a freebie extra that caps off the end of the Search and Rescue series and gives an introductory teaser to the first of the Rocky Mountain K-9 Unit series. I enjoyed how the author divided up the seasons with each former pair of main characters getting their update. Winter has Lou and Callum out on an ice rescue run while Callum figures out how to unfreeze his tongue to pop a question, Ian and Rory fight a fire and then their next fire call leaves Rory gasping with surprise in the Spring, while in the summer, George and Ellie go on a dog-thieving mission before Ellie startles George with some new, and finally the fall brings a near death experience for Chris and Daisy when she proves she can be out in the great big world afterall.

Loved this look-in. It's short. The vignettes only take up a third of the location on my e-reader, but worth snagging for fans of the series. Can't wait to dive into the next series of books set with the K-9 officers of the mountain area.

This was a lot of fun. A chance to catch up on Ruggles' Rocky Mountain Search & Rescue series main characters. Very, very short novels--a chapter for each couple, telling the next big development in their story (wedding/proposal/baby/pets). It probably wouldn't mean much if you haven't read the original books, but if you have, they were a quick, enjoyable addendum to their stories.

Plus, they saved the dogs. Can't go wrong with that, in my book. ;)

Short and sweet epilogues for all four couples of the series.

One adorable marriages proposal, one surprise wedding, one baby bump and a look at a happily ever after in progress. ?

I would have given it a five star rating but the epilogue for my favorite couple (Daisy and Chris) didn't feel like much of an epilogue tbh. It was sweet but not the kind of ending in an epilogue that I'm looking for. I'm happy I got a bit more of them but I'm greedy and wanted so much more for them, lol!

Free novella!

Short, but very satisfying epilogue for every one of the couples of the Rocky Mountain Search & Rescue series! I just read it with a big happy smile on my face! Perfect ending for all! Thank you, Katie!

Rosaline says

Why can't this series go on and on?! The epilogues for each couple felt too short but they were sweet and satisfied me for now.

Spoilers for epilogue below.

Callum & Lou: This was in his POV which was so sweet and cute. He was so nervous about proposing to Lou.

Ian & Rory: The badass couple that are engaged finally got hitched their own way.

Gorge & Ellie: Super duper cute with all the puppies and pregnancy surprise! I couldn't decide if George/Ellie or Callum/Lou were my favorite but after this epilogue it is definitely George and Ellie! I'm a sucker for cute animals and babies.

Chris & Daisy: Living together and adopted four puppies! Daisy is getting better as well. :)

After the End is a collection of short story epilogues for each of the books in the Search and Rescue series. Each story provides a glimpse into the lives of each of our favorites couples. I enjoyed catching up with each couple.

Please note that the short stories only take up half of the free ebook. The rest of the book sets the stage for book 1 in the author's new series, Run to Ground (Rocky Mountain K9 Unit, #1). We actually meet one of the heroes from the new series in one of the short stories in After the End.

Kelly says

I have SUCH a soft spot for those "after the HEA" moments. Given that this series thrilled me from beginning to end, this epilogue collection completely hit the spot. We got some thrilling heroics (with absolutely ZERO headless dead bodies), some heartbreakingly romantic gestures, and a glimpse of the heroes in the next KR series.

Basically, I'm in literary heaven.

(Keep this to yourself, but George and Ellie are my favorites. Now and always. George's silences and his reasoning for not engaging in small talk make me smile. And his pure joy whenever he sees Ellie makes me all fluttery. Always.)

LOVE LOVE LOVE and I highly recommend these little snippets if you've read the Search and Rescue series.

This was a collection of epilogues to each of the stories in the author's Search and Rescue series. Billed as "slice-of-life" novellas, they made for quick and easy reading, though they all seemed largely unnecessary. Unfortunately, there's not much to recommend or not recommend here, but I do appreciate the author going to the effort of "closing out" each story like this!

CD {Boulder Blvd} says

For those who read the Search and Rescue series, this is a nice update of what the main characters are up to. And it provides a nice sneak peek at the first book in the next series. Looking forward to reading this next series!

I so need closure for this series after *that* ending! ;-)

Cute stories. Too short, each one. But still ... CUTE!

This was a nice way to catch back up with my favorite couples from this series! **After the End** was a fun and adorable way to see the lovable couples from the previous books. All fans of this series need to pick this up!
