High-Stakes Honeymoon RaeAnne Thayne

While honeymooning solo might be unconventional, ex-bride-to-be Olivia Lambert couldn't see wasting a fabulous trip to Costa Rica just because her former fiancé turned out to be pond scum. Imagine her surprise when a handsome stranger appeared in the jungle...silver machete in his hand and fiendish gleam in his eye... Well, maybe not so fiendish. Because Ren Galvez was actually one of the good guys. And he was trying to save Olivia—the curvy blonde in the skimpy bikini—from a near-certain death at the hands of one of the *bad* guys. But who was going to save Ren from *her*? Previously Published.

Olivia Lambert decides to go on her honeymoon to Costa Rica alone after she calls off her wedding to her cheating fiancé. On the first day of her trip after a day on the beach, out of the jungle comes a machete wielding (and very handsome) man, Ren Galvez. He kidnaps Olivia claiming it's for her protection, saying that he is protecting her from a killer, which turns out to be true. Olivia and Ren then make their daring escape through the rainforest as they find themselves drawing closer together.

This was a very entertaining jungle adventure/romance. I loved the setting in the Costa Rica rainforest. The sights and sounds of the rainforest were described in such vivid detail I felt as though I was there. The story was fast-paced and action packed, and the lead characters were very likable. A fun, exciting, hard-to-put-down story.
