Grab your copy of *The 5-Minute Urology Consult, 3e* for rapid-fire reference in the clinic. This essential, easy-to-read text was designed to aid in the diagnosis and treatment of urologic problems quickly and efficiently. Engineered for crystal clarity, and chock-full of information and action items, the “5-Minute Consult” series includes facts and recommendations as informed by the most current data available, sourced from actual patient consultations and further reviewed by top academics and physicians.

An invaluable resource for urologists, this book is perfect for the busy specialist or practitioner who deals with urologic conditions on a daily basis, as well as residents and fellows prepping for their certification exams.

Features:

Topics include adult and pediatric urology, and the subspecialties of urologic oncology, endourology, female urology, neurourology, andrology, infectious diseases, and renal transplantation

International editorial board captured the widest array of diseases and conditions expressed worldwide

Over 300 major diseases and conditions, with a lexicon of over 1,300 key concepts, diseases, complaints and conditions

Visual algorithms and charts enhance clarity

Drug Reference section outlines hundreds of urologic drugs and dosages

Readable, two-color design and two-page layout

Now with the print edition, enjoy the bundled interactive eBook edition, offering tablet, smartphone, or online access to:

Complete content with enhanced navigation

A powerful search that pulls results from content in the book, your notes, and even the web

Cross-linked pages, references, and more for easy navigation

Highlighting tool for easier reference of key content throughout the text

Ability to take and share notes with friends and colleagues

Quick reference tabbing to save your favorite content for future use
