A book full of famous quotes along with Pete the Cat's response! Cute!

Mayda says

Pete the Cat takes some pretty awesome inspirational quotes and puts his own spin on them. The way to a happier day may just be through this cute cat's tips. Pete reminds us that you are as happy as you want to be, and Pete is one happy, cool cat.

Jeff Johnson says

A simple sweet and straight to the point guide on optimism, kindness and finding joy in life mixing inspiring quotes and gentle life lessons. Pete The Cat could be seen as sort of the complete flip-side of Grumpy Cat (who I also think is awesome.)

Lori says

What an awesome little book for children! Pete the Cat walks you through a collection of his favorite inspirational quotes. Life coaching quotes come from Abraham Lincoln, Confucius, Thomas Edison and many more! A quick little read perfect for an after school pep talk, or a short read before your little one drops off to sleep at night!

To be honest, I could use a little inspiration myself once in awhile, but this would make a great birthday gift for a 5 to 9 year old!

Summary:

In this book Pete talks gives a different quote on each page to explain how live a great life. These quotes are used by famous people that had an influence on society. After the quotes Pete the cat states a sentence simplifying the quote. There are pictures on each page showing Pete doing something that would be considered difficult like working hard or playing sports, the quotes are supported by the pictures. A class activity that could be done with older children is having a list of the quotes and names of the people who said them, they could match which quote was said by which person.

Just read this with my kids, and I really liked it!

My last couple of Pete books have been a little disappointing. The Pete magic has been stretched pretty thin. Soooo...I told myself "No more Pete books!". *But* I just can't resist that cute, blue face. :)

Pete the Cat's Groovy Guide to Life: Tips from a COOL CAT for Living an Awesome Life is not a story book. It's a gift book. I'm not even sure it's a kid's gift book. Would children like this kind of read?

The pages are full of famous proverbs, quotes, and lines from authors, artists, leaders, and more. Lines that inspire laughter, hope, and action. Pete then translates these famous quotes into "Pete" speak. Like this...

"If music be the food of love, play on!" --William Shakespeare

Pete's interpretation—"Keep strummin'!"

Very cute idea! But as the pages flipped on and on, the concept got old fast. The pictures and colors still made me smile though--Pete painting, strumming his guitar, and sailing. Bright yellows and blues brighten up the room and read.

One of my all-time favorite lines from Pablo Picasso is included. I love this line...

"Every child is an artist. The problem is how to remain an artist once we grow up."

And my favorite Pete page was this one. Haha...

"A man who carries a cat by the tail learns something he can learn in no other way." --Mark Twain

"Dude, don't even think about it!" --Pete

I still had some fun and smiles here with Pete, but this book is not worth buying for kids in my opinion. It would make a great teacher gift though. Definitely check it out at your local Library first.

Great book for adult fans of Pete!!

Kelley says

An awkward book to read to a preschooler. Each page has a famous quote that is interpreted by Pete the Cat. As an adult, I liked all the quotes, but since I was reading them to my 4 year-old, most went over his head.

Karla Winick-Ford says

Love the quote collection

Pete brings it down to student level too- A+

Emily says

Motivational advice from Pete the Cat. This may be the greatest thing ever created.

Kimberly says

This book is perfect for kids (and adults, too) of all ages! The wit and wisdom from Pete, along with numerous celebrities from all walks of life, is something that can brighten anyone's day. It's a great book for kids... a perfect coffee table book... and a wonderful gift for anyone who could use some cheering up and positivity. Keep on groovin', Pete!

Slayermel says

One of the children in my class brought this book in for us to read. Its filled with well known quotes and proverbs, and the Pete the cats quick sum up of what it means in his own words. I'm not sure how much of it all the children really understood, but Pete the cats version seemed to register with them.

It's not really a story though, just page after page of advice through the quotes of how to live a happy life.
