Winds of Deception Hope Callaghan

Winds of Deception is the second book in the Samantha Rite Adventure Series. The mystery continues...

Since returning home recently from her never-to-be-forgotten cruise vacation, Samantha Rite has been busy trying to catch up at work and settle back into her normal day-to-day routine.

Little does she know her simple and quiet life is about to be thrown into turmoil as she has unknowingly become a pawn in a deadly game of deception.

As she desperately struggles to make sense of it all, she soon realizes that someone she loves more than life itself is now in danger as well.

Determined to do whatever is necessary to protect her loved ones, she vows to move heaven and earth to make sure they're safe!

Will Sam be able to weather the storm that's brewing on the horizon?

Carol says

read as part of Cozy Mysteries Collection: Home & Holiday Edition

really felt lost as if the story was a direct continuation of previous book. Characters were not really identified and you had only slim idea of connections. problems wrap up quickly and the story just stops to be continued in next novel....

unless you plan to read all 3 dont bother.

Denota says

You know it's a good read when it takes you several chapters before it hits you, on yeah I read this before. I was disappointed so I kept on reading. Just as exciting as the first time.?

I love Hope Callaghan 's books. I didn't recognize this series. So of course I bought it. I love the way she brings her faith to each book in comforting ways. The characters read like people I would love to add to my friends list. This was a quick paced story that I enjoyed.

RO G'ma says

This is the second book in the Deception trilogy written by Hope Callaghan. Sam returns from her cruise and the bad people come looking for her. This book continues with the great storyline and character development created in Book 1, and has twists and turns at every corner. The suspense keeps you on the edge of your seat, but there are moments of romance, devotion to family and friends, love of God and faith, plus LOL moments though out the book. As with all Ms. Callaghan's books, this one contains no graphic violence, sexually explicit scenes or inappropriate language. I'm looking forward to reading the next book to see what happens to Sam, her family and new friends!

I received a copy of this book in exchange for an honest review.

Linda Rainey says

Love the this book better.

We continue Samantha' s adventure in this book but we the addition of daughter Brianna to the mix. The suspense keeps up to the last page.

I was glad to see Gabby make an appearance. Her flamboyant personality is refreshing and I hope to see her in the next book.

Now on to book 3.

Marilyn says

Good

the story about how the evil criminals that are chasing this women and her daughter.she has no idea why someone would want to harm her.

Charles Russell says

Great book

Great book, easy read. Nice mystery with good characters that you like to get to know. I will read more of these.

Terri says

How can one women get into so many scary situations? She's smart, sassy, strong and has attracted 2 good looking men. Will she pick the right one? Very good book.

Jennifer Robb says

This is the first book in this series that I have read (though it is book #2 in its series) but I did not feel lost by not having read the first book. I have read other books by this author. In places, I found the writing a bit amateurish sounding or simplistic.

This book follows Samantha Rite after she returns from a cruise (on which she was taken hostage). Samantha's daughter and her friend have taken a trip to Florida using the same luggage that Samantha used. Little does Samantha know that something that was hidden in her luggage during the cruise has made her family a target!

Tom says

Sorry to say that I found this book just not very well written. Connection with the preceding book in the trilogy (which I had not read) was not adequately explained. The early part of the book was pretty promising, and I kept hoping the rest of the book would live up to that standard. Sadly it did not. I found, for the most part, that the book was just underdeveloped, with rough transitions. Frankly I don't understand the average 4-plus star rating this book has received (that rating is why I decided to read it in the first place), and I don't consider myself an overly harsh critic.

Veronica Knack says

This adventure was over way too soon! I enjoyed it while it lasted.

Billie Rayborn says

Excellent adventure

As I said, there was amazing adventure more than half way through the book. The plot moved along rapidly. Then the climax and a lot of mushiness followed. I like undertones of romance, but this was a bit much. I'll continue reading Hope, though, and recommend this book for the amazing adventure!

Embgram says

A bit too short

The story was over before I was ready for it to end. Maybe I should have refreshed my memory on the previous book, then I would have seen the answer to the who-done-it part. Now on to book 3 while this one is still fresh in my memory!

Laura says

Winds of Deception

Book two in the Samantha Rite mystery series. This is a continuation of the mystery in the first book with several of the characters returning. Samantha is in danger, but why, and what about her daughter who is on vacation with her best friend in Orlando.

Sheila Cassada says

Another great book by Hope

This is another great mystery by Hope. The story makes you feel as though you are a part of the action. You want to keep reading to find out what is going to happen. This is a book you will enjoy and I highly recommend it.

Diane Durbin says

Exciting page turner

The continuing story of Sam becomes a real page turner as she fears she is being followed, develops close friendship and involves her daughter and her daughter's friend in her adventures. Very good read
