The Empress of Mysth Meg Xuemei X

Read books 1-8 in one convenient bundle in this popular *Empress of Mysth* series.

Forbidden. Sworn Enemy. Wicked Seduction.

Savage angels have turned Earth into their hunting ground. To save all earthborns, the fey princess Rose cedes to the marriage demands of the King of Angels, knowing she won't survive the wedding night. When she comes to Atlantis to find a secret weapon to banish angels from our planet, she awakens the darkest lust in the king's lethal brother.

The most formidable angel comes across the universe and finds her. He will stop at nothing to possess her, even if he must fall.

The High Prince offers Rose an indecent proposal: sleep with him once and he'll keep her safe. Rose will turn his urge against him and destroy the angels' house. While unbridled lust burns the prince, it also torments her.

THIS SERIES IS INTENSE, POWERFUL, FUNNY, FULL OF HOT STEAMY SEX!!!! You Will Not Be Able To Put It Down. I LOVED IT!! MEG XUEMEI X HAS ANOTHER AMAZING HIT ON HER HANDS!!!! BEST SELLERS LIST FOR SURE!!!!!!

diann walker says

Amazing!

My heart pounded as I raced through these 7 books. I felt the strain of her refusal and the giddiness of control. This is a must read from a Great story teller.

Sexy and Hot

Seth and Rose is one complicated, frustrating, hard to forget, laugh out loud, funny mates.. That just about drove each other insane.. I really liked this series so much that I am looking forward to reading the next books in regards to the characters in this series.. This series is a great read for anyone who loves books about Angels and the Fey..

Great

A great and fun read that I thoroughly enjoyed and that I finished it in one sitting. This is definitely a series you want to check out.

Very Enticing!

This writing in this series somewhat reminds me of Amelia Hutchins - and that's a good thing. The love scenes are very erotic, even if it did take a bit too long for the fey princess and the angel prince to finally trust each other. As I kept reading, I found I couldn't put it down for long, and didn't get anything else I had planned for the day accomplished - which is the mark of a great read for me.

Loved Rose and Seth's story

I gave four stars only because I was annoyed with the recaps when the story POV changed from Rose to Seth and back, I felt this was unnecessary and sometimes annoying! If not for the recaps I would've given 5 stars all day long! Loved the action and the complexity of the story line

I started this series because I fell in love with this author after reading her War of the Gods series and needed something to get me by as I waited for book 4. Despite being on a big reverse harem kick right now this story sounded really good so I decided to give it a shot.

I really enjoyed this story line. This is earth, but not as we know it now. It is old with different creatures and a budding new species, homo sapiens, are not in charge. Instead this story focuses on the fae, the draconians, and the evil angels who come from space and destroy and subjugate foreign lands in search of power.

When the angels come to earth Rose's father, Emperor of the fae, gives her to the King to avoid destruction, but Rose isn't some simpering princess who will go without a fight. Rose plans to find their weakness and

use it to free their people and get rid of the angels. But when she meets the High Prince of the angels, the king's brother Seth, Rose's plan is thrown off balance by their unexpected attraction to each other.

This series is an amazing fantasy. There is tons of action, adventure, romance, and even a bit of darkness. Rose is an incredibly strong character who always tries to do what is right for her people, even when she must sacrifice herself and a few for the greater good. Seth is kind of a jerk. He is arrogant and hard from a life of destruction in service to his evil father. But underneath that he is caring and overprotective and completely devoted to his mate.

This box set is very long but totally worth the read. The plot bud up is amazing and the characters, both the main characters and secondary (good and evil) are all incredibly written and so easy to love- and hate. I really look forward to reading more of the incredible fantasies that Meg Xuemei X creates.
