A Trip Through Time

I enjoyed the way Bambi manipulated the four elements in the story. However, I couldn't help wondering why nobody thought of using a pig's bladder. Still it was a thoroughly enjoyable read.

Two thumbs up!

Absolutely loved this time travel story. Marek is one huge hunk of medieval man. Great characters and entrancing story kept me reading from beginning to end without putting it down. Bambi Lynn is on my must read list.

I enjoyed this book. Poor kitty, at first Marek treats her with disdain as he and his wife had a bad relationship due to her actions but he still feels a connection to her. Their relationship is explored and developed, I really enjoyed this book.
