Long Lost Bride - Mempelai Yang Hilang Day Leclair

Shayne Beaumont bersiap-siap menghadiri pesta, walaupun tahu ia takkan menemukan pria seperti mantan suaminya--pria yang bisa membuatnya jatuh cinta-- di situ. Sembilan tahun yang lalu ia bertemu Chaz di pesta topeng. Mereka menikah, namun kemudian Rafe, kakak Shayne, memaksanya untuk membatalkan pernikahan mereka. Shayne tak pernah melupakan pria itu, tapi ia juga tak pernah bertemu dengannya lagi.

Chaz McIntyre sama sekali tak tahu siapa yang mengundangnya ke pesta topeng itu. Namun ia tak peduli, dan di sana ia bertemu seorang wanita cantik dan misterius yang kemudian dilamarnya. Betap terkejutnya ia ketika ternyata wanita di balik topeng itu adalah Shayne, mempelainya yang telah lama hilang.

Shayne is a very endearing character. So is Chaz. They were married but their marriage was annulled. Nine years later, they meet again and marry but there are too many issues to resolve.

I loved the secondary characters, Penny, Jumbo and Mojo, all male employs of Chaz. I also liked Dona Isabella, a matriarch of the family....

It has a good story line and is pretty enjoyable....

So sad. So tragic. Cried Buckets.

Tina Marie says

Wonderfully good! It made me cry in the best possible way.

Here again, loved the concept, was frustrated by the execution. The writing lacked concreteness. No details just breezy scenes just lightly painted in. If you've read these books about the Cinderella Ball, you know what I mean.

I've wanted to read this book for a while ever since we met Shayne and heard her story in Shotgun Marriage, how she was orphaned when she was three and her brother Rafe sent her with her mother's sister for a better life, instead what she got was a life without love until he rescued her at thirteen and then she fell in love and got married at the Cinderella ball, but she was seventeen and Rafe over-protective so he got her marriage annulled and then Shayne was in an accident wanting to find her husband again, and then she just gave up and her art.

Now, it's been nine years but she still loves Chaz and at the Cinderella ball meets him again but he has changed, hardened and doesn't believe in love instead he needs to get married, and she keeps her mask on to get to know him again until passion takes the best of them and then Rafe comes to burst their party, they get

married but Chaz warns her not to expect love since he's not capable of it anymore, instead he needs her to build a home.

The best part was the letters, with the start of every chapter we read about how Chaz tried to find her so badly, but Rafe kept interfering and Chaz even went to the ball, and finally in despair sought some comfort and told himself his heart was dead, now he has a daughter who is three and result of that and he needs Shayne to make a home for them.

I loved Shayne how sweet she was, she believed despite getting hurt so many times and drove Chaz crazy with the way she took over his life, home, employees, all the while only giving him little kisses while he feared losing her and this time for good.

Really enjoyed this book.

demasiado bonito, el como un corazón puede quedarse siempre a la espera de su verdadero dueño.
