Emergency! (LEGO Nonfiction): A LEGO Adventure in the Real World Penelope Arlon

Did you know that a fire truck's ladder can reach as high as 100 feet?

Join the LEGO(R) minifigures as they get to know police, firefighters, and other everyday heroes rush to the rescue. Learn amazing facts about their awesome vehicles like mountain rescue trucks, ambulances, and more. Bursting with stunning photographs, fun facts, mini comics, building ideas, and stickers, *Emergency!* is the perfect book for any young reader.

The LEGO(R) nonfiction series is exceptional as it combines the world's most powerful toy brand with the most trusted name in children's publishing.

Donna says

This books is never going to get on the shelf – the kiddos will be checking it out constantly:) The Lego figures introduce readers to rescue workers such as police officers, firefighters, paramedics, etc. Bright pictures, very readable and I always like it when public servants/first responders are shown in such a great light.
