The Hero's Redemption Janice Kay Johnson

When gratitude becomes friendship...and something more.

Cole Meacham has only been out of prison a couple of weeks after a ten-year term for a murder he didn't commit. A silent, guarded man, he doesn't know how to start over again now that he's free. Destitute and alone, he's been sleeping in a park. Then Erin Parrish offers him a job plus room and board. The woman with the haunted eyes seems to be the only person on earth who isn't afraid of him. But she clearly has her own demons, and Cole watches as night after night his new boss and landlord gets in her vehicle and drives...somewhere. It seems she needs his help as much as he needs hers. If only he could be that man she can depend on. And love.

Kate Vale says

Being kept up all night was worth it to follow Cole Meachem's journey from recently-released ex-con (for a crime he didn't commit and refused to accept responsibility for) to newly-hired contractor on a job that might just become permanent.

Cole begins his journey when he meets Erin Parrish, currently hiding out in her late grandmother's house in desperate need of a handy man to help her with all the things that have deteriorated since her grandparents' cross over the Rainbow bridge. Erin doesn't know what Cole did in prison, only that the hardware store owner refused to take him on after learning he was a felon. She doesn't care, sensing that Cole won't hurt her. Or maybe he will, thus ending the nightmares she continues to have after the big van she was driving was hit by a semi, killing all the passengers and leaving her injured but alive. Not that she wants to be. Is that why she climbs out of bed every night and races on dark streets? If she trying to kill herself, even though her mother said that wasn't right?

How these two deeply wounded souls come to help each other is a read worthy of staying up late at night to finish the story. If only it could have lasted longer. Perhaps there'll be a sequel.
