Chrissy says

A sweet story and a quick read. Although this book isn't an amazing piece of literature or anything, it is a good reminder of what's important in life. It's based on the song by Tim McGraw, which I love! =)

Jim George says

Simplistic.

Brandi says

Tim Nichols and Craig Wisemans' "Live Like You Were Dying" is a short, inspirational work that would make a great gift, especially for fans of Tim McGraw and/or country music (which I'm not, therefore I would rate it 4.4). Nonetheless, it is still a well-constructed little book and a quick read. The copy we have includes a cd single along with the lyrics to the hit song.

Michele says

This story was inspired by the hit song by country mega-star, Tim McGraw. Mr. McGraw wrote a foreward in the book.

Book Description

A construction supervisor in Atlanta, Georgia, Nathan Bishop has worked hard to become a personal, professional, and financial success-to the detriment of his family and friends. His wife Heather and twelve-year-old daughter Malley rarely see him, and his family back home in southern Georgia barely knows him anymore. That is, until an accident on the job and subsequent hospital stay reveal a growth on his lungs.

Faced with the possibility of losing everything, Nathan begins to rebuild long-neglected relationships, starting with his wife and daughter, and ultimately takes a life-affirming journey with his father. Along the way, he rides on a bull named Fu Manchu, goes skydiving and Rocky Mountain climbing, grants forgiveness he'd been denying, and reconnects with the good book. Nathan realizes that he wants to spend time living and loving to the fullest-and in the end, that is his legacy.

Readers of fiction and inspirational books, as well as country music fans and others touched by the hit song, will want to own this poignant book. Like Mitch Albom's Tuesdays with Morrie and Donna VanLiere's Christmas Shoes, the novella prompts readers to make the most of every moment in life.

I enjoyed the story. I have seen negative reviews but I think this was a quick read and a good story.

Nyssy says

Got it for a graduation gift and enjoyed it very much.

Dessiree says

Short and sweet story.

Orsayor says

Live like you were dying... inspired by Tim McGraw's hit song with the same title. There are so many times in Life, we are so busy that we forget to enjoy the simple things, such as LIVING. Live like you are dying takes the lyrics from the song and expands on it.

The book includes the CD single & lyrics to Tim McGraw's song, Live like you were dying. It's a great book to carry with you to remind you to LIVE.

Chris says

Just a great little read. Very encouraging and uplifting.

Russty says

Wonderful book, and the accompanying song is no slouch either!!!

Ashley says

Very good

Couldn't put the book down it was so good. Would definitely recommend this book.this book has a lot of meaning

Terrie says

Love the song, book was nice.
