Paparazzi Miss K.P.

Miss Kp- the author of the Dirty Divorce Series brings you Paparazzi, the tantalizing tale of Kennedy who learns the hard way that the limelight only brings mischief and mayhem. As things spiral out of control, Kennedy works hard at keeping her dark past hidden, but there's nothing that can protect her from the mark an unsuspected person has put on her life.

Cherise Fisher says

This book has some good twist and turns that will make you say whaaat? Good read!

C says

Twins are a mess!!!!

I thoroughly enjoyed this book. This was a book club read patiently waiting for part 2. I hate sequels though.

Karen says

WOW...This book was excellent. It is bad that the twins had a rough life and did not support one another. Kennedy was a ride or die chick and she got hurt by so many people. It is hard to trust people when you been through the things she been through.....Good book.

Charmain says

OMG this book was straight up raw. I was into the book the whole way thru. From the beging to the end I was in AWE. Keendi definitively was off the hook with her bullshit and they way she treated them kids.Kasey was no better I was wondering was she really mad Harry didnt choose her insted. WOW and that Damn Sherrod was off the hook he had Keendi as spent foreal damn I cant wait to see whats gonna happen in the part two I cant wait!!!

Mirrlees says

This was a good read. The drama, excitement, suspense had me on the edge. Every time I thought I can guess what will happen next that was not the case. I love books like these that keeps me thinking. Ready for part 2. To see what happened to who and why. :-) Thanks Author Miss KP

Barbara says

This was a great book from the beginning to the end
Lots of secrets and drama
Thank you to the author for another great book

Na'Tisha Riley says

I just love Miss KP. It wasn't as thrilling as the Dirty Divorce, but I am patiently waiting for the next installment.

C says

I thoroughly enjoyed this book. This was a book club read for me. Patiently waiting for part 2. I really don't like sequels though. Would like to know what happened to Sharrod, Kennedy, and Malcolm.

K Nikki Waden says

Very entertaining read..can't wait for part 2

Angel says

The book started off slow & it didn't pick up till later on in the book there wasn't not enough plots & twist I hope pt 2 better

Lisa G says

Another great book by Miss K.P. I so loved the drama cant wait for the next one

Belinda says

Yep, it all started with Paparazzi. Thanks Miss KP for another good entertaining read.

Monique says

How do I always get caught up in crazy ghetto drama? I guess it's like watching reality TV. Once I got over the editing issues and holes in the storyline, the lies, betrayal & killing worked out. Thank you for the public library!

Writer's Block says

loved it - anxiously awaiting the sequel

Priscilla says

Another great book,this is a winner on my favorite book list.
