The third book in the Attracelli series!

Sal Attracelli met Laci Anderson three years ago at his brother's wedding. At the time, he had thought she was too young for him. But the memory of her trembling in his arms during their one dance would not leave him. Now, he was out to win her heart and was willing to enact an elaborate ruse in order to bring her closer.

For Laci, the impression Sal left at the wedding had made him impossible to forget. But now he was pursuing Laci with all the charm and sex appeal he had at his disposal, which was considerable. At first, Laci refused involvement with the sexy CEO, but he tore down her defenses. Her job and its responsibilities are swept away by the mad passion he inflames within her made. All that is left is her new dream of enfolding herself within the arms of a forbidden man.

Actually really enjoyed this one! Laci & Sal are quite the pair, I'm not a huge fan of the ending though...

Shiela says

I don't know, this kind of left me hanging at the end.

Maria C says

I really liked this book but the ending was abrupt. Sal is definitely my favorite Attracelli brother :)

I loved this book couldn't put it down. Laci Anderson met Salvatore Attracelli on her sisters Victoria's wedding three years ago when she married Sal's brother Thomas. After all that time Sal was trying to figure out a way to see her again, and Laci couldn't forget Sal and she was always compering him to other guys which for her never came even close to him. Sal knew that Laci had become a lawyer and when the opportunity came to see her again he took it. When Laci showed up at ATI with Jim McPherson her partner to work on re-negotiations with Matt Kingsley on the Michigan and Richmond plants she was nervous to see Sal again. Sal asked to see Laci in his office and he didn't waste any time to ask her out to lunch. After spending a lot of time with Sal she really started to fall for him, but when she went to the snow for the weekend with him she notice women throwing themselves at him and she didn't want to become them a line of his exes. Laci decided to break it off with him, but he didn't take it well and accused her of selling herself to get what she wanted on the negotiations. Laci had no choice but to tell Sal why she broked it off with him and Sal told Laci how he really felt about her and planed to make an announcement at the family dinner.

Head Strong Men and Women

I enjoyed the turmoil both Sal and Laci struggled with. No one wants to be hurt ever especially in a relationship.

sal sal sal very stif fellow but still very hot and lovable

i think he was stupid to wait 3 years it wasnt as though she was a teen and he was a lecher and by the summary i assumed she was a teen.

i liked that when he put his plan into play to get her he did just that with a little miscommunication on both sides (what a romance without it) they still ended up together
