Ass Over Teacup Jackie Nacht

Dear Author,

My friend Ulysses has always been a bit of a klutz but he seemed to be getting his act together better recently. Burdened by that name, he's always allowed himself to be bullied and take a back seat to everyone else. Added to that, he trips over his own feet or stutters when he meets a hot guy. This spectacular fall is just one more thing to make the poor guy think he's doomed. He was getting ready to go on a blind date tonight and now I just had to call the paramedics instead. What's a guy to do when he just can't stay grounded?

Photo Description:

Picture is of sexy dark haired man taking a shower. He's tangled in the transparent shower curtain and falling ass over teacups.

This story was written as a part of the M/M Romance Group's "**Love Has No Boundaries**" event. Group members were asked to write a story prompt inspired by a photo of their choice. Authors of the group selected a photo and prompt that spoke to them and wrote a short story.

Exina says

2.5 stars

Ulysses is a cute klutz, being love with his best friend and roommate, Brent. But he is too afraid to reveal his true feelings in fear of killing their friendship.

After a shitty day, to crown it all, he falls *ass over teacup* in the tub, getting a dislocated shoulder, a concussion, and fourteen stiches. But actually it is the most fortunate incident ever: it turns out that his feelings for Brent are mutual.

Nothing unforgettable, but sweet and short.

Deeze says

Ooooh I really liked this one.

Poor Ulysses was an accident waiting to happen, Brent was a hero and Luke was the villain, just my kind of cast lol.

A lovely sweet but short read. Perfect for when you need a romance fix but don't have much time.

Could easily have been a 5 star, but just too damn short lol.

Meep says

The first third was sweet. Far fetched but sweet. From there it drags, the conclusion is already a sure thing just isn't delivered. It became frustrating and I skimmed most of the rest to get to the end, because hey the beginning is sweet. I like sweet.

Ulysses. I'll try to ignore the name choice. Never met a Ulysses! Is beyond a klutz, I'm not convinced a person this accident prone could survive in the big bad world, let alone be a competent detail orientated business brain-to-be.

Concussed with a dislocated shoulder he gets an overnight in hospital then complains at no horizontal gymnastics? and goes to work the next morning. Fourteen stitches?! I laugh at you fourteen stitches, dislocated shoulder and concussion, I whine though for the lack of hot athletic smexin'

(view spoiler)

It's a sweet story, including a silly name, lacking of any angst. It's free. It's okay. Didn't dislike it, but wouldn't read it again.

SheReadsALot says

[
I **love** stories where there are unrequited feelings...*requited*, especially when they are done well.

Excuse *I* as I squeal like a fangirl:

I adore Ulysses and want to hug him. He was clumsy and always overlooked. Plus his name didn't really help things. And Brent should have acted on that a lot sooner. But I am happy that these two got it together. Cute. Simple. Low Angst. It kind of dragged out the inevitable in the middle third but it's read worthy. J

Annika says

1,5* So this was SWEET, to the point of making my teeth ache. And unrealistic to the point of where I asked myself if the author knows about working realities. Well, I suppose she does and wanted to deliver a SWEET story, which she surely did. So much so I started to skip things because, it was all clear from the beginning how this story goes.

Then there was a pet peeve of mine I really can't get over - seriously injured guy (dislocated shoulder and concussion) being horny and wanting sex only a few hours after his injury. Argh, sooo not believable. Do you know how much a dislocated shoulder HURTS?? Not talking about a concussion at all. And all on pain medication which makes him loopy? Sorry, but this just doesn't work for me.

Lauren says

3.5 stars - Short and sweet. Quite a nice hurt/comfort themed story and a lovely addition to the LHNB event :)

Ann says

Being a complete klutz myself I can totally relate to Ulysses which bumped this up from a 3 1/2 to 4 for me.

A sweet friends to lovers story that I really enjoyed. Relatively angst free considering the theme of unrequited love. There really wasn't enough time to build up that part of the story, but that's ok for this short because to build up enough angst, it would really have to move to novella length.

So, a perfect feel good, read it before you go to bed to end your day on a happy note read.

Anke says

Read this because I needed some free read for my annual challenge. As that it was ok.

Saphirablue says

On one hand - Ulysses is a cute character and you just want to hug him and wrap him in bubble wrap so that he won't hurt himself again.

On the other hand I really, really can't stand it when medical details are not done right. Especially if they can be easily googled. :(So, sadly, this one didn't work for me at all. :(

Mandy*reads obsessively* says

3.75*

Unrequited love, a total klutz, a car break down and your boss steals your hard work and passes it off as his own, and your co-worker sets you up on a blind date.

You know the day can only get better, right?

Well of course it does, Ulysses manages to have an awkward, embarrassing and totally painful up close and personal meeting between the back of his head and the bottom of the tub.

The prompt picture for this LHNB story is funny and the author managed to get that scene down and it really is a cute, sweet fun, friends to lovers story with a dash of hurt-comfort and a pinch of vengeance. :)

Macky says

3.5*

Friends to lovers story which is short and sweet and even if it is at times predictable, is still an enjoyable read. I liked it. Free in the LHNB event and a nice addition.

Marlobo says

Sweet story with a clear *Working Girl* (movie) vibe.

Gigi says

Very sweet and heavy on the healing/comfort, one of my favorites. Recommended!

Bev says

Nice little tale of Ulysses who's a complete klutz but very loveable with it, and Brent his housemate, and Ulysses' secret crush....or is he?? 4 stars for this one.

Nic says

This was really sweet story and a nice way to spend my lunch hour today!

Ulysses is clumsy and always seems to attract bad luck **"Add stepping into the pothole filled with muddy water, and Ulysses wished he could chalk it up to a bad day. However, this was pretty damn typical for him."** He also has feelings for his room mate Luke.

As the story starts, Ulysses has a really bad day at work. Starting with a broken down car, his day goes from bad to worse. He also comes to the conclusion that he should stop pining over Luke and go on a blind date.

However, later that night his clumsiness acts as the trigger that brings him and Luke together.

Short and sweet. 3.5 stars
