Horse Show Bonnie Bryant

TO THE SADDLE Club, there's nothing more exciting than riding horses at Pine Hollow - until they're invited to New York City to watch the American Horse Show! Max's former student, Dorothy DeSoto, will be competing, and the girls will get a backstage view of competitive riding. And in their free time, Lisa, Carole, and Stevie might just get to be the star of their own show - on the big screen!

Christine Meunier says

The eighth book in the Saddle Club series by Bonnie Bryant is titled Horse Show. In this novel, Carol, Stevie and Lisa are excited to learn about their horse riding instructor's trip to the American Horse Show in New York. They are dying to go. So together they hatch a scheme to be able to attend with Max and his mother Mrs. Regnery.

Kelly says

The last time I picked up a book in The Saddle Club series was 20 years ago. I loved these characters - Stevie, Carole and Lisa - and their Willow Creek adventures. Reading this book - written in the late 80s - makes me nostalgic for a simpler time, when whole afternoons could be spent in a stable grooming horses capped by an ice cream sundae at the local mall branch of Tastee Delight. It's wholesome, good old fashioned girlhood at its best.

sarena breed says

Good book

Fun especially packed with action. Loved it. Carol is my favorite I like Stevie too though I just don't like Lisa

E says

Princess Di? Oh my goodness, the dated-ness.

Anelya says

There's a horse show in New York and Max is taking the three girls to go watch his old student, Dorothy DeSoto, compete. While there, the girls meet Skye Ransom, a teen actor, and teach him how to ride, along with having fun and making memories in the Big Apple.

I honestly had not remembered this series being so full of sad moments, but I feel like every book something bad happens! This time, Dorothy DeSoto gets injured while riding Topside in the competition, when a lady watching spooks him. Although it turns out mostly okay - Dorothy can still ride, just not in competitions, and Topside returns to Pine Hollow with the girls - I didn't like that you don't find out who the lady was and that justice was not enacted. I somehow remembered that happening.

The Skye Ransom plot was incredibly funny. I had a blast reading it and couldn't help giggling. This has become a trope nowadays, where a small-town teen girl meets a big star teen boy. Yet there it normally goes all into romance and drama, whereas here it is handled with fun and a dose of reality. I really love how Bonnie Bryant does that.

Again, not one of my favourites, but still a fun read. They'd probably all read better if I weren't so looking forward to their return to the Dude Ranch in book 12...

Melissa Namba says

while not realistic it is totally relatable. what girl doesn't dream of meeting a celebrity and being indispensable to his success. I like that the girls were able to help other people besides skye. but I still hate how some characters, i.e. the actress, are 100% bad.

Heather says

this one was a sad one. horse riding is dangerous but definitely worth the risk. the book ended ok. the girls did meet a movies star. the TV episode for this book was soooo much different.

Hazel says

A good series for horse crazy young teens. I loved it when I was younger.

Lillian Wichman says

AMAZING! I read this whole entire series, but this was the best!
