Journey to Seduction Candace Shaw

All the right moves

Ever since their families were joined by marriage, Sydney Chase has been driving attorney Bryce Monroe crazy. Whether she's in biker gear or stilettos, no other woman can compare. No one else combines tough and tender in such a sexy, irresistible package. Though Syd has him pegged as a spoiled brat, a spur-of-the-moment Vegas road trip is Bryce's one chance to prove otherwise.

As a criminal profiler, Syd's job is to figure people out. Somehow, beyond Bryce's privileged background is a depth she never expected. Their cross-country trek to a motorcycle fest is turning into the hottest ride of her life?one she knows has to eventually end. Yet what happens in Vegas is impossible to forget, and Bryce isn't letting go until he's crashed through every single one of her defenses...

Karen says

What an awesome love story that existed between Bryce and Sydney!!! Although they met 5 years earlier, sparks of love ignited then, even though neither one knew, especially Sydney! Once fate, not to mention a family member, brought them together for Valentine's Day unexpectedly, they begin to see each other in a different light, and once the trip to Vegas was on, they acted on those sparks to create one helluva love story! A must read!

Ridley says

An enjoyable enemies-to-lovers romance between a Georgia Bureau of Investigation agent and a high-profile defense attorney set in Atlanta, but the sex writing veered into the silly at times.

Mary says

Great Series. Sydney and Bryce had a great love / hate relationship. Enjoy the ride.

UrbanHooks says

it's been you all the time...

Bryce and Sydney masked their attraction to each other through manufactured hate. All it took was an unexpected opportunity for them to test the waters. However, Sydney fought to deny that fire between her and Bryce every step of the way. It all comes full-circle in the end. A feel good romance.

Nana Prah says

There's nothing like an opposites attracts romance. Bryce is amazing – successful, intelligent, cultured, super confident, sexy, and rich (of course I have to mention this), but he also has this compassionate, giving side to him that Sydney never knew existed. And when she finds out what lies behind the hard lawyer she thought he was, she melts.

Sydney is trying to figure out what she wants in life, which can be difficult, but when temptation is thrown her way it (or rather he) compounds the issue.

The motorcycle aspect interested me. I'm a fan of the machines so I got into the rides they took. Bryce was a very naughty man on one of the rides, but I won't spoil that particular journey for you.

Book three is in my Kindle queue and I'm looking forward to reading it.

I purchased this book from Amazon.

Deedee Henson says

This was an explosive journey between two people who had a love hate relationship. Candace weaved a romance so entertaining and fiery that u felt the fire jumping off the pages. Good read

Toni says

GBI criminal profiler, Sydney Chase and crimson Attorney, Bryce Monroe argue every time they see each other. His brother and her twin sister are married making family functions a little tense as they try to avoid each other. On a cross country trip to Las Vegas for a motorcycle fest, they end up in the same suite and get to know each other better.

Davia Taylor says

This romance was like a firecracker waiting to be lit to explode into action. I enjoyed the way it was written such an easy flow to follow and it was not disappointing. It leaves the reader smiling.I will be looking for more books by this author.

Angela says

Couldn't put it down which is why I read it so fast!

Sydney the girl has spunk

I enjoyed this match for Sydney. You have to look beyond the surface and realize it's the heart that matters. The inter play between Sydney and Bryce was just what a fiery love story needs. You saw the inner conflict, the resolve and acceptance of emotions. That is always a plus when couples are ironing out their differences. The story was filled with the necessary elements to draw you in as a reader and look to see what happens next. I loved the shared passion over motorcycles and their respective law professionals. Good job Candace ready for the next installment.

Shone says

Sydney Chase and Attorney Bryce Monroe can't be with a foot of each other without disagreeing over the smallest point and throwing at each other with their eyes. Read and enjoy what changes when they discover

there love for motorcycles and wide open spaces.

Sabrina Hamilton says

What a Love Story!!!

Bryce and Sydney's story was awesome. I couldn't the book down because i need to know how their story would end. Their passion for each other was jumping off the pages. I can't wait to read the next book in the series. Kudos to Candace Shaw.

Harlequin Books says

"Shaw paints her characters as strong enough to go after what they want, yet weak enough to yield to temptation with little coaxing. This juxtaposition makes the tale endearing and pleasurable" (RT Book Reviews, 4 stars).

Love Overflows

I sincerely enjoyed the second book in this series, it was a great follow-up to the first book. I also enjoyed the characters in this book and the first book as the storylines intertwined. I can't wait for Book number three to become available.

Dafort says

Sydney and Bryon were explosive. The chemistry was evident from the hospital until the last page. Every time the two came into contact with each other, they didn't realize the animosity they had for each other was a cover for the passion they felt. They embark on a secret affair that one wants it to be more. Readers will love Sydney and Bryon's journey.
