Brian's Choice

Vannetta Chapman

Brian's Choice Vannetta Chapman

Brian's Choice is an e-only novella prequel to the brand-new Plain and Simple Miracles collection from popular author Vannetta Chapman (*A Promise for Miriam*). These stories of love and family and Amish community in Oklahoma tell of the miracles that can happen when lives are lived in service to God and to one another.

Brian Walker has it all—a trust fund, the job of his dreams, and a beautiful woman at his side. But all of that changes in one tragic moment. Six months later he finds himself in the small town of Cody's Creek, Oklahoma, and eventually becomes a member of the Amish community located there.

Brian feels God's hand directing his path, and he begins to hope that perhaps his past is behind him for good. However, nothing prepares him for the day his bishop asks him a question.

Brian's choice changes everything.

A story about the miracle of faith, the solace of love, and our ability to forgive and be forgiven.

From Reader Review Brian's Choice for online ebook

Gail Hollingsworth says

Brian's Choice is the beginning of the Plain and Simple Miracles series by Vannetta Chapman. Brian is a professor at a local university, has a new girlfriend every week or two, and rich parents who gift him with a \$100,000 car. Being egged on by his latest girlfriend, Brian drives way beyond the speed limit and causes a horrific accident involving several vehicles. He eventually is exonerated from all charges and begins a journey as far away as he can get. He spends time in an Amish community and eventually joins the church. As he becomes a part of the Amish family, he begins to realize that there is forgiveness for his past and a chance to begin anew. Vannetta Chapman once again weaves a wonderful story of faith, love and forgiveness that we can all relate to in one way or the other. I'm truly looking forward to reading this whole new series.

I was given an ebook copy of this novella by the author for my honest opinion, which I have given.

Tina says

Brain's Choice***** by Vannetta Chapman

Brian's Choice is the prequel to Vannetta Chapman's new Plain and Simple Miracles series, set in an Amish community in Oklahoma. Brian Walker has had challenges, tragedy and struggles in his past, a past he longs to forget. Brian leaves his hometown in California and travels across country in search of peace and ends up in Cody's Creek, Oklahoma. Brian's spiritual journey is shown and how an important choice forever changes his life. This is a heartwarming novella dealing with hope, forgiveness—and forgiving oneself, mystery, romance, love of family and community, miracles and strong spiritual faith. I enjoyed the characters in the story and hope to see them in future books. Brian's Choice is a great introduction to the upcoming series. I enjoyed Brian's journey and look forward to reading the series.

~I received a PDF copy of this novella from the author for my honest review~

Brittany says

This prequel novella is packed with heart! It's a great peek into the Amish community that is located in the fictional town of Cody's Creek, Oklahoma. Very interesting characters are introduced and a troubling situation must be resolved. Meanwhile, a sweet romance blossoms. I am very impressed with this novella. This shorter story is so intriguing and now I can't wait to read the rest of the series of full-length novels!

I received a complimentary copy of this book in exchange for my honest review.

Brian's Choice (plain and Simple Miracles)

By: Vannetta Chapman

Brian's Choice is the prequel to Vannetta Chapman's New Plain and Simple Miracles series. I really enjoyed Brian's Choice and can't wait to read this series. Vannetta Chapman pens us a heartwarming prequel about miracles, romance, mystery, and forgiveness. Brian's Choice hooked me right from the very start and did not let go till the end. What a story, i loved it and i am sure you will too. Our Vannetta Chapman has herself another winning series.

I was given a copy of this book by the author for my honest review, which I have given.

Alecia says

great book! and a great way to start a new series...I can't wait to read more

Britney says

"Maybe God was working through his past, creating a completely new creature in him."

Brian's Choice is a wonderful story and a lovely introduction to the Amish community of Cody's Creek, Oklahoma. I was captivated by Brian Walker's emotional journey and delighted by the faith and forgiveness he found. I loved this short story and look forward to more heartwarming stories in the Plain and Simple Miracles series!

This e-only short story is the prequel to Vannetta Chapman's new Plain and Simple Miracles series. "These stories of love and family and Amish community in Oklahoma tell of the miracles that can happen when lives are lived in service to God and to one another."

I received a complimentary copy of Brian's Choice in exchange for an unbiased review. I appreciate the opportunity to read this story and share my thoughts.

Barbara Thompson says

Oh, What a beautiful story! As I started reading the beginning of this novella, it caught my breath and I was hooked, then I began reading a journey of love, healing and forgiveness. I could not stop reading Brian's Choice until I was finished. For me, the novella showed an awesome healing for the body, but an awesome healing experience for the soul. I love the new community and people. Brian's Choice is a prequel by Author Vannetta Chapman's new series Plain and Simple Miracles. I'm so looking forward to reading Book One of this new series and you'll not want to miss it.

I received a complimentary copy from the author in exchange for my honest review. This review is one hundred percent my opinion.

Liz says

I HATE fast cars, so getting through the opening pages of this story was an effort. But it paid off - the rest of this quick read was just what I needed during a hectic week. I really enjoyed the new characters and the atypical Amish storyline. The main character is not a fresh-faced young girl, but an older bachelor with an English past. Finding new faith and purpose in Oklahoma, Brian is asked by his bishop to step in as a temporary teacher at their one-room school. He is loathe to give up his farm life and privacy, but willing to use his talents for the community. It isn't long before his quiet life takes a turn he thought impossible. (The pace and voice of this tale reminded me of Olivia Newport's style in her Colorado stories...not that Rufus was ever English...and that is high praise indeed.) My only complaint is that this novella wasn't a full-length book - oh wait, I think I already wrote that same whine after reading Chapman's contributions to the Amish Cradle and Amish Garden volumes.

I totally recommend you spend a little time in this gentle read. Chapman shows us a new address for Amish fiction, and writes with an ease that seemed more fluid than her previous (excellent) books. I really look forward to "going back" to Oklahoma soon!

Dali Castillo says

When a book, especially a novella, can capture you right from the start, you know it's going to be good, and Brian's Choice fits that to a tee. It begins with the prologue which instantly piques your interest as it sets up the rest of the story. From that point on, the pieces start falling into place as you realize the connection between where Brian's story begins to where it continues.

Brian's Choice is a story about forgiving and forgiveness, new beginnings and mercy, as well as grace, and love. But the theme from the beginning is definitely choice. Brian's story begins with a choice that he made and continues with his consequent choices that result from that initial choice. It is also a reminder that all of our choices are accompanied by consequences or blessings. It is reflective of how much is involved in our day to day life choices as well as choices in our spiritual lives. As a window into Vannetta Chapman's Plain and Simple Miracles Series, Brian's Choice is indicative that these stories will definitely be about love, faith, family, and "the miracles that can happen when lives are lived in service to God and to one another."

*****I received a copy of this book in exchange for an honest review. All opinions and viewpoints are my own.

Debbie says

Looking forward to reading the series; hope to hear more about Brian and his new Amish life.

Gee Dixon says

Brian's Choice is the beginning of a new series by Vannetta Chapman called, "Plain and Simple Miracles".

Brian has to go through forgiving himself and embracing a new way of life in the Amish community in a small town called Cody's Creek, Oklahoma. He finds faith, believing in others and himself are okay to feel. He builds trust through the small Amish community.

The story was so moving from the first page to the last page. I am SO EXCITED to read the upcoming books in this new series. I have not read a book by Vannetta Chapman that I did not like. Love, Love, Love her passion and love she has for the Lord. It shows gracefully in her books.

Nancee says

Brian's Choice is a poignant introduction to Vannetta Chapman's Plain & Simple Miracle series. Through this novella we are introduced to Brian Walker as he leaves a life of luxury and deep emotional pain behind to begin the life of an Amish man. The painful memories of his past life have brought him to his knees in this encouraging and heartwarming novella.

The characters in this beautifully written introductory novella are well portrayed and the spiritual messages are strong. Hope, forgiveness and the anticipation of a better future are themes that will touch your heart. This taste of the series to come touched my heart, and I can hardly wait to discover Brian's future and future relationships in Cody's Creek, Oklahoma.

Disclaimer: I received a copy of this book from the author in exchange for my honest review. All opinions expressed are my own, and no monetary compensation was received for this review.

D.J. says

Brian Walker thought he had it all... but it only took a few moments -- to lose it all.

After an almost-fatal accident, Brian chose to leave the life he had made for himself, and just "get away". Once he passed through Oklahoma, he found himself in Cody's Creek -- and feeling that God was leading him, decided to stay.

Eventually, he joined the Amish community -- and the church -- and began a new life, leaving behind the modern conveniences he had grown up around.

The characters in Cody's Creek are great; friendly, helpful, encouraging -- and accepting of others. If this were a real place, I'd be making plans to visit soon.

Vannetta Chapman is a superb author -- and she writes amazing Amish stories. This... this is an amazing story in itself; I can't wait to read the next story in the series.

I love reading about miracles, so this series will be a real treat for me. I won't give anything else in this story away, so I can only urge you to get a copy of Brian's Choice... and begin this awesome series.

Emilie says

A life changing tragedy begins in the fast lane of Big Sir, California for a 29 year old professor named Brian. Running from his past, he lands in a small Amish settlement in Oklahoma to rebuild his life. I loved following the twists his future took to bring him healing, hope and a chance to love. Highly recommended novella to kick off Vannetta's new series Plain and Simple Miracles.

Sunnie says

Brian's Choice is a novella prequel to Vannetta's Plain and Simple Miracles collection. These are stories of love, family and Amish community in Oklahoma.

I was lucky enough to have had a chance to read this ebook and have to say, Vannetta Chapman has a wonderful new book! As always, she never disappoints and I totally enjoyed this quick but well-developed novella.

Brian is an "Englischer" who has a troubled past. He moves on in his life and because of his want to begin again, and has joined the Amish faith, adapting to their beliefs and customs in hopes of a better

As a former professor, a teaching job at the Amish school is a new turn in his life. This story is about love and forgiveness, including forgiveness of one's own self, which is probably the hardest forgiveness of all. I really enjoyed this book and look forward to reading the series.

I received an ebook copy of this book for my honest review which I have given.
