Buck Me... For New Year's Anya Nowlan

This New Year's, the buck stops here!

This is a standalone novella with a pinch of holiday whimsy. Who said everything has to be so serious all the time, right?

Blair Welsh is not happy. Stuck in snowy Idaho for the holidays, she's cut off from her family and generally miserable. Add in a recent break-up and a general sense of displeasure, she's not having a good time. But when her friends drag her to an annual masquerade ball in Shifter Grove and a handsome stranger catches her eye, things start to look up. But is a one night stand really what she needs to feel better, or is it just a momentary reprieve?

Dash Frost hates the post-Christmas lull. Having drawn the short straw that year, he has been sent to Shifter Grove to attend the ball and put up a Frost family presence - the last thing in the world that the workaholic pilot would like to be doing. In the midst of showing anyone and everyone his displeasure, a scrumptious, curvy woman manages to monopolize his attention. What was supposed to be a quick fling refuses to stay as such.

With almost a whole country between them and New Year's Eve fast approaching, can the surly, troublemaker buck make the choice his heart wants to make? Or will this New Year's be notably absent of a dash of magic?

Frost Brothers' Brides is a series of novellas following a very special set of buck brothers. The nine brothers will each get their stories told during the holidays! The books can and should be read as standalones and have a guaranteed HEA!

This was a super fast paced read for me. I was surprised to find a book about reindeer shifters and really enjoyed how the author brought Dash to life. Blair was also an easy to like heroine for me...I could relate to being stuck somewhere and not wanting to be part of the celebrations going on around her. The meeting of Dash and Blair made me laugh out loud and it only got better from there. I would highly recommend this series to anyone wanting a different twist on shifters and looking for a HAE.

Buck me right there

A dashing buck and a sexy piece of eye candy falls for a beautiful full figured voluptuous human. Yes Dash had used her as a cover but in doing so got a lot back. Blair was getting over a breakup and said tonight she was gonna take life by the horns. Well, the horns a cometh. All 6'5 of pure hotness that made her feel alive. Electricity flowing throw her like pure adrenaline being pumped just from the feel of him against her. They both assumed a one night stand was all they wanted but fate had other plans. Dash never thought he would find a woman who could deal with his workaholic ways. Blair worked magic on him although it was his family that had the magic touch. It was fast and riveting to read. Cannot wait for the next book in the frost brothers. Who's next, Vix, Ru, the twins Don and Dan...can not wait.

Second book in series and not sure this is for me.

He's a player, she's a wimp. They meet at a masquerade party, have sex then ask if there is a significant other. WTH.

I am not sure this series is for me. Too simplistic. I like a quick fun read but these leave me annoyed with how wish washy the H's are.

He is married to his job with what sounds like a player mentality. She has wasted 5 years on a guy who treated her like dirt.

Once again their job is kept secret from their mate. Why?

Glad this was in KU because I would be annoyed at paying the exorbitant price for so few pages of not very good story

Anya Nowlan has created a series (or three) of awesomely fun and entertaining short stories surrounding the men of Shifter Grove. This is one of the Frost brothers.

Highly entertaining, it is a great diversion and while aimed at the holiday season, would bring a smile any time of year!

As an independent reviewer for Paranormal Romance and Authors That Rock, I give Anya's latest creation a solid four fangs. Steamy sex, hot shifters and a great sense of humor make these all worth a read!

A quick read, but you still get to know the characters well. The Frost brothers are something to be reckoned with. Dash is described as a womanizer and is struck by the different feelings her experiences with Blair. Blair is busy talking herself out of moving forward with Dash because of her recent breakup.

Buck Me.... For New Year's:BBW Paranormal Were-reindeer Shape Shifter Holiday Romance(Frost Brother's Brides)

What a after Christmas party,Blair didn't want to go anywhere after her recent break up.Dash was up to no good and if he was real lucky he might be going home with a real hottie.There was a lot of magic around Dash,did he want to tell Blair about it?This is the perfect holiday romance.

I was given an ARC by the author in exchange for an honest review.

Ohhh my i laughed so much through this short story!!!

I loved it!!!!

I am so freaking glad we didn't have to wait much for the second brother to show up!!!

An amazing story!!!

i love the twist she has given to the normal christmas,st.nick sleight and reindeers story!

I love the sassiness both main characters have and i love seeing people from Shifter Grove and other couples and how their life was gone after their stories.

This series with all 9 brothers seems so promising and so far it hasn't disappoint in the least!

Can't wait for more!!!!

A great read! Very entertaining and a cute read. We have ourselves a naughty buck wanting to cause a bit of mischief after Christmas. Blair is out of a toxic relationship of 5 years. She meets Dash and feels drawn to him. She's apprehensive at first but decides the new her will go after him! Can they both keep it at one night together? Are Dash's playboy days over? He doesn't think so but he can't stop thinking about her! Will Blair kick herself for not trying to stay? Read and find out! :)

Linda Levine says

This is a fun read. You get a little Christmas with your romance as Dash is one of the shifter brothers that works for Uncle Nick's transport company.

Dash is either working or having fun with women and is on a little work break when he meets Blair at a holiday party. Blaire was dumped by her longtime boyfriend and is looking for a little distraction too. They don't waste their limited holiday time.

It is a very quick read and a fun little holiday story. You get alternate points of view which I prefer. The story moves quick and keeps your attention. The characters are enjoyable.

Another absolutely engaging tale that has the reader feeling nothing but awe for these fascinating stories from the author, and this one is no exception. Blair is visiting her best friend, Aubrey, in Idaho, feeling a little jealous, though proud, to see how happy she and her family are. Blair cannot say the same for herself because her boyfriend of five years dumped her just before Christmas; he was a possessive, jealous man and she had missed much by appeasing him. Now she intended to be brave – go for anything – and take life by the horns and what better opportunity than at a masquerade ball. Dash is not only a troublemaker, but a womaniser, and is known to cause a commotion wherever he goes. Aubrey warns Blair to stay away from Dash, but she has other ideas. What could be more mischievous than a stolen moment with the biggest playboy in the region; no strings, no heartache, just fun. Dash thinks that Shifter Grove is a good place to settle down if he was so inclined, but what kind of woman would put up with his workaholic lifestyle. When Dash sees Blair, it is one of those rare occasions when he and his buck see eye to eye; she drew him to her and he didn't know what to make of it. When the time comes for them to go their separate ways, neither can believe they have let the other one go; that is until fate lends a hand. I thoroughly enjoyed this story and would have no hesitation in recommending it, if shifter stories are your type of read. I received a copy of this book in exchange for an honest review.

CAPTIVATING & SIZZLING ROMANCE

BUCK ME FOR NEW YEAR'S 2016-FROST BROTHERS' BRIDES-A romantic story filled with the magic of the holiday.

This story features; Blair, a curvy, sassy, beautiful architect; Dash, a traffic-stopping gorgeous, charismatic reindeer shifter and pilot.

What you'll find in this story; a cast of remarkably impressive and engaging characters, fabulous story-line, picturesque and dynamic vivid scene descriptions, phenomenal banter, camaraderie, skyrocketing heart-pounding sensual romance, and a melt your heart conclusion leaving you wanting more.

Blair now single is in Shifter Grove visiting her friend Aubrey. Looking absolutely stunning she goes to the Shifter Grove Masquerade Holiday party where she meets Dash the wild trouble maker of the Frost brothers. Holiday sparks are in the air at their meeting, but is it enough for Dash to ground himself for the fair maiden.

SPECTACULAR fast paced well written creative read by a truly gifted author. The characters spring to life with the magical story-line, fabulous humor and wondrous scene descriptions. I adored Blair's sassy persona. The chemistry between Dash and Blair sizzles with heated passion. I loved this story, a most delightful read. If you treasure shifter romance with holiday magic this is a fantastic book for your library. {I received a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

I received a copy of this book in exchange for an honest review. Okay, these stories are a hoot and make the best holiday fun, quick reads ever. It is a standalone but I can only say that you should read the first one (about the Frost brothers) so that you can enjoy that book as well. Buck Me For New Year's is about Blair Welsh and Dash Frost. It has laughs, hijinks, and fun galore! Read it; you'll be glad you did.

Book two of the Frost Brother by Anya Nowlan.

this is a whimsical Christmas themed series with each brother named after Santa's reindeer. Frost brothers all work at a air transportation company with his other brothers.
great book with a lovely ending

Elizabeth/snoopypeach says

Dash stumbles into Blair at a masquerade ball, and the sparks fly! Dash is mischievous, sometimes grumpy, but always over the top sexy! Blair is sassy, clever, smart and they bring this story to full Technicolor life. You will snicker and laugh out loud. The romance will draw you in, the sex will heat you up, and the HEA will leave you grinning as you close the book. This is a lot of fun to read, with the lighthearted feel you will enjoy yourself all the way through. From shifters, to Christmas magic this story is one that I gladly recommend.

Leona Bowman says

Anya Nowlan is one of my favorite authors. Her stories are entertaining with mystery and lots of hot, sexy male shifters. She has done it again with Buck Me...For New Year's. Blair is visiting her best friend in Shifter Grove and being dragged to the annual Shifter New Year's Eve Ball. She had not planned on being in Shifter Grove for New Year's, but a snow storm is keeping her from returning home to L.A. At the ball she meets the mischievous and mysterious Dash Frost. You need to read Buck Me...For New Year's to find out how Blair and Dash finally get together. I was given a free copy of this book in exchange for giving an honest review.
