Silver Bells Debbie Macomber

Get into the Christmas spirit with this delightful novella from #1 *New York Times* bestselling author Debbie Macomber. A holiday favorite! *Silver Bells* It isn't easy for Phillip Lark to single-handedly raise his rambunctious teenage daughter. And now she's hatched a plot to find her father a wife. Lovely Carrie Weston seems to fit the bill. Phillip claims he's not interested in remarriage, but could the magic of the holiday season—and Carrie's charms—help him change his mind?

Jessica says

I am usually a huge fan of this author and more so her Christmas books. This one was ok but not my favorite. I wanted to more, a lot more. This is a novella and I felt it was rushed this could have been an amazing story. I felt like there wasn't a strong connection between Carrie and Phillip. I did love the connection that Carrie had with Phillip's daughter. It was a quick and ok read.

Valerie says

I enjoyed this novella, but I felt that there needed to be more of a connection between Carrie and Phillip. Carrie connected with his daughter, Mackenzie, in an immediate way, but I felt the courtship between the two to be stunted and sparse. The secondary characters were fun, and the story had great potential, but I needed more of a connection between the hero and heroine.

Zoltán says

A történet az émeletít?en édes, szirupos lányregények kategóriájába tartozik, melyben az aktív szerepl?k valószínűtlenül jók, az egymásra találás ab ovo elrendeltetett, a jó szándék szétfeszíti az ablakkeretet, a rózsaszín habok pedig az ember fülét nyaldossák. Az Ezüstcsengetty?k azon kívül, hogy karácsony táján játszódik, szinte semmi "ünnepeit" nem tartalmaz. Rövidkeségét a f?h?sök er?ltetett, néhol már-már "emberietlenül" szokatlan, irracionális reakcióival ellensúlyozza. De mivel itt az irodalomkritikának amúgy sincs sok keresnivalója, tegyük fel úgy a kérdést: szerethet?-e a történet? S a válasz: egyszer az életben igen. De csak egyszer. És csak egy ebb?l a fajtából. Bárhogyan is, olvasás el?tt szódabikarbóna bevétele javallott.

Laura says

This a cute Christmas story about a single father named Phillip Lark and his daughter Mackenzie who are staying in an apartment while awaiting their home which was being built to be completed. Mackenzie thinks that it is time for her father to find a wife and if he will not take the first step she will and has decided their neighbor Carrie Weston is the one. From hearing how Carrie brought her mother and her stepfather together decided to try this out on her father and Carrie. Thinking that Mackenzie's disappointment of her mother's uncaring ways, her runaway father and Carrie searching for her will push them to another level?

Kellie Mackrell says

Short but sweet, nothing exciting and lacked some connection but I enjoyed the writing style so will give this author another go

Ptiteaurel says

j'ai passé un très bon moment avec cette douce nouvelle de Noël car Debbie Maccomber aborde la thématique du divorce et de la reconstruction parfois difficile d'une vie. Peut on à nouveau faire confiance? Peut on encore croire à l'amour? Le miracle de Noël aura t-il lieu?

Chronique complète à venir demain

Barb says

In this classic story, Debbie brings those Manning men and Manning sisters home for a mistletoe marriage when a single dad finally says "I do."

Such a cute Christmas story. As usual it began with one person out of a complex full that had Christmas cheer, and everyone else was going with the motions and/or 'working' through the holidays. Makes you realize how one person can change not only another person, but alot of people. 5 stars

Sue Stewart says

Cute Christmas story.

Tiffany says

The book was probably 2.5 stars. It is a short book and is very predictable. You probably get as much from reading the synopsis of the book as you do from reading the book. I believe the book was mainly written to give an update on what happened to a couple of characters from a series. Since I have only read one book from the series it wasn't that helpful to me.

Kathy Worrell ? says

I listened to the audiobook, in which the last disc kept playing the first few lines of each and every track over and over! Oh how I felt like today was ground hogs day!!

Luckily the story was dull and uninteresting! Or I might have felt like I actually missed something.

Beth says

Cute short story.

Lisa says

Cute Contemporary romance novella. This the first story I've ever read by Macomber, it was in the anthology I'll Be Home for Christmas with Brenda Novak and Sherryl Woods. It was a sweet story, with a bit of Christmas in the background.

Jill Cohen says

I loved Carrie in Bride On The Loose so I was excited to see her get her book, all grown up. Debbie Macomber is wonderful at giving voices to children and teens and making them sound real and emotional.

The biggest problem with this book is it's length. I wanted more.

I wanted to know more about Phillip and his background.

I wanted to see more of Carries relationship with Mackenzie - that would have been so interesting to explore. And I wanted to know more about their neighbors. What a fun group. I want to hang out with them.

There was enough of a story here to support a full length novel. I only wish it had been.

Court says

Very heartwarming.

Kristina says

I checked this out as a Playaway audiobook from our on-post library. I had never even heard of Playaway before, but it sure worked out great. All I had to do was check it out, plug it in, and press play.

The storyline played out quite predictably, but it served its purpose as far as entertaining me while driving in the car. Apparently the main female character in the story is the daughter of a character in an earlier series Debbie Macomber had wrote (the Manning something, I think). Since I hadn't read the series this particular character was from it didn't mean a lot to me, but perhaps it would for those who had. It certainly wasn't necessary to have read the series in order to follow along in this story though.
