Cathryn Conroy says

I am a lifelong Episcopalian, but that doesn't mean I know everything there is to know about this wonderfully diverse church. I read this book because I am part of a welcome class for newcomers at St. Anne's. And this is what I learned that I never knew before: The Episcopal Church, despite its official name of The Protestant Episcopal Church, is not Protestant. Of course, we are not Roman Catholic or Orthodox either. We Anglicans are out there on our own.
