Dying in Detroit Jonathan Watkins

Issabella Bright has had it with bailing her handsome-but-unpredictable boyfriend-slash-partner out of the drunk tank, with him messing up their court schedule and with his buttinsky female best friend. But Darren's latest story is no flustered excuse—the glad-handing stranger who blew into his office is none other than Mister Unreliable himself: Issabella's long-absent father.

And the only thing he's brought with him is trouble.

No sooner does Howard Bright appear than a psychopath begins waging a campaign of terror aimed directly at Darren—and Issabella. Stalking the stalker to discover his motive—never mind his identity—could very well mean lights out for Bright & Fletcher. But Darren will put his safety, reputation and personal fortune on the line if it means protecting Issabella.

Veriance says

if you like the Stephanie Plum books, you will enjoy this somewhat darker thriller set in Detroit.

Linda Look says

Bright & Fletcher, Book Two. Liked the characters and twists to this fast moving mystery. I rate this a 4.3

L.T. Fawkes says

I really like the characters in this Detroit-based mystery series. The brilliant but flawed lawyer Darren Fletcher and his straight-laced, by-the-book law partner/girlfriend Issabella Bright; Theresa Winkle, Darren's bartender/guardian angel friend and owner of Winkle's Tavern; and Special Agent Isaac Schultz, FBI, who has to settle for worshipping Issabella from afar.

In this installment, Issabella's long-missing father, Howard Bright, suddenly turns up in Darren's office. He says he's defrauded some very dangerous people out of a lot of money and now they're threatening Issabella, unbeknownst to her. Of course, there's more - much more - to his story than he's telling Darren.

It's a good plot and it moves along quickly and there are plenty of laughs along the way. Highly recommend.

Joan says

My complaint about these books is that do not have the flavor of Detroit. They seem to feel putting Detroit down makes them Detroit, it doesn't. The mystery is not bad, but it is silly at times. Issabelle and Darren are finally happy until a psycho shows up to threaten Issabelle and Teresa, Darren's bar friend. When Issabelle's dad shows up to speak to Darren, Issabelle is really upset as she hasn't seen him in 10 years when he walked out on her mother. The psycho is fixated on Issabelle. Darren is kidnapped. The killer wants a payoff. We almost find out where Darren's money comes from, but not quite. Issabelle's dad is the bad guy. I think if you are going to put Detroit in the title, the author should know Detroit. Watkins does not.

Karri says

kinda drawn out...but an ok read

Marcel says

I enjoyed reading this book, but it was not as captivating as the first in the series.

Michelle says

Good book

You people should just read this book yourselves and write your own review on this novel yourself and I really enjoyed reading this book very much so. Shelley MA

Julie says

Dying in Detroit- Bright & Fletcher, #2) by Jonathan Watkins is a 2015 Carina Press publication.

I still didn't know what to make of Darren and Issabella's relationship, as they seem content to live in the moment and keep the past out of the equation. I think that might have come back to haunt them a little bit, though. Darren still knocks back too much liquor, still challenges the court system and Issabella remains the calm, level headed one, who comes to his rescue. So, the relationship is still unconventional, or maybe it's just a little quirky.

Theresa's role in this one was pretty cool, as the girlfriend and best friend have a few awkward moments between them, but end up making a pretty good team, with Theresa earning Izzy's respect, albeit, grudgingly at times.

This series has a lot of room for growth with the characters, so overall I'm happy I gave the second book a chance. I'm excited to see what happens next for the legal team of Bright & Fletcher.
