## **From Reader Review DAT 2017-2018 Strategies, Practice Review with 2 Practice Tests: Online + Book for online ebook**

**Karla Winick-Ford says**

This is quite different than the GRE I'd taken in 1998. It's comprehensive; suggests strategies as well. This first look at the dental exam our daughter will have to take allows her to search for materials, hone in on some topics she may be rusty on, and practice before the big day to be more successful. We were fortunate to borrow a copy from our local library, which is such a wonderful resource.
