Biology Yael Avissar , Jung Choi , Jean DeSaix , Vladimir Jurukovski , Robert Wise , Connie Rye , OpenStax (Editor)

Biology is designed to cover the scope and sequence requirements of a typical two-semester biology course for science majors. The text provides comprehensive coverage of foundational research and core biology concepts through an evolutionary lens. Biology includes rich features that engage students in scientific inquiry, highlight careers in the biological sciences, and offer everyday applications. The book also includes clicker questions to help students understand—and apply—key concepts.
