A Night Night Prayer Amy Parker

Shhh, it's time for sleeping, for getting snuggly in my bed. But first, I say my night night prayer and bow my sleepy head. Shh, the puppy's sleeping, a toy under his chin. When he rouses from his sleep, we'll play hide-and-seek again. Night night, puppy.

This lovable little nighttime prayer book has interactive dialogue for a child to repeat as they look around their world to see the sleeping sun, trees, puppy, baby, etc. The repetition within the text and the reassuring message help little ones calm down and prepare to go to sleep.

This bedtime book introduces thankfulness and prayer in an evening routine. Accompanied by endearing illustrations that depict a cozy bedtime, *A Night Night Prayer* will quickly become a "read it one more time" book for young children.

This is a book that elicited, "Read it again!" And, I found myself reading this book again and again. My granddaughters loved the pictures and kept asking for me to read it. Of course, it was perfect for bedtime as well.

Stephanie says

My favorite part of bedtime.

Rashida says

It's short sweet and to the point, on those nights where you're exhausted and determined to get the good night story in. My little guy loved it.

What a wonderfully sweet and beautifully illustrated childrens book that will capture and enthrall children at bedtime.

Sweet little alpaca prepares them for bedtime by saying goodnight to the sun, birds, trees, flowers,a puppy, kittens, Mommy, Daddy and God.

The books prayer is done in a peaceful rhyme. Its a very sturdy board book that will hold up after being asked to be read time and time again.

This book is sure to be a favorite of all who read it. It would also make a great baby shower gift too.

Sweet dreams will be dancing in little ones heads after the book is closed!

Erin says

My daughters favorite book as an infant and toddler. A sweet way to wind down in the evening. More of a poem than a prayer, but there is a thank you to God at the end.

Tina says

Isabel and I love this book!

Brandi (Rambles of a SAHM) says

Who doesn't love a sweet little alpaca? We are completely smitten with this particular one. The illustrations in this new bedtime board book are adorable. And the gently rhyming text is a nice soothing way to wind down before tucking your little one in bed.

In A Night Night Prayer Little Alpaca is ready to go to sleep but must first say his prayers. He begins to count the blessing of his day and saying good night to each one. He starts with the sun and works his way through the birds and the flowers and his little puppy. Little Alpaca's prayer ends by thanking God for his mommy and daddy and most importantly God's love for each of us.

This book would make a delightful addition to your family's nighttime routine. It is a gentle reminder for children to thank God each day for the blessings that He has bestowed upon them.

I received a copy of this book to facilitate my review.

This is an amazing little book! I bought it for my grandson when Amy first published it, and he loved it! Amy's philosophy is "Changing the world, one word at a time" and she is making a difference with her incredibly small but incredibly impact-ful children's books!

I can't wait to read her first inspirational book for us adults!

Keep chasing your dream, Amy!

Blessings, Deb

This is a nice book, though it really is more of a poem than a prayer. The language is gentle and caressing, and would make for an excellent bedtime story, which is, of course, the function for which it is designed. The similarity to Margaret Wise Brown's *Goodnight Moon* is evident, but I still rate this as high as one and a half stars because of the good use of language.
