# Bless Me Again, Father

*Neil Boyd*

**Bless Me Again, Father** Neil Boyd

**From the series that inspired the hit London Weekend Television sitcom *Bless Me, Father*: St. Jude's parish is as lively as ever**

After finishing his first year at St. Jude's, Father Neil finally feels as if he has his feet firmly planted underneath himself. His rapport with Father Duddleswell is as strong as ever, and even Mrs. Pring is showing him a softer side. Things are looking up for this young curate. But St. Jude's is still full of surprises.

In this uproarious installment of Neil Boyd's semiautobiographical series, the clergy of St. Jude's is confronted with all manner of crisis: personal, political, and cricket-related. There is the dilemma of Dr. Daley, whose drinking is causing his health to deteriorate but who worries that becoming a teetotaler will ruin his personality. Then there are the animals overrunning the church, much to Father Duddleswell's chagrin, as a new donkey is followed by a fresh litter of kittens.

Sharp yet poignant, Boyd's stories are a pleasant return to a simpler era.

## From Reader Review Bless Me Again, Father for online ebook

### patricia says

More of Father Boyd's adventures with his pastor Father Duddleswell. There are donkeys and Sister Stephen. A tennis match. Just downright funny. There's a WWII Nazi bomb that damages the church, and where Mass is said is a new one. Need laughs this will have you laughing and smiling. Neil Boyd says Bless Me Again Father.

### sfw says

This series is good example for the gentle, somewhat nostalgic British comic novels about life in small towns, villages or eccentric neighborhoods of larger city. They are outdated but good for Schmunzeln. I read these after spending a quiet day working on statistics, reading Sapiens, trying to edit a poem's 1st draft. Soothing. But warning: some characters' descriptions are caught up in the stereotypes of the times when this book was written.
