Sally's Phone Christine Lindop , Grace Reece

This award-winning collection of adapted classic literature and original stories develops reading skills for low-beginning through advanced students.

Accessible language and carefully controlled vocabulary build students' reading confidence.

Introductions at the beginning of each story, illustrations throughout, and glossaries help build comprehension.

Before, during, and after reading activities included in the back of each book strengthen student comprehension.

Audio versions of selected titles provide great models of intonation and pronunciation of difficult words.

Hoor Ga says

Not a bad book its good for beginner to start reading . I like the activities at the end

P Bright says

This is cool little book written for ESL adult students. The author is brilliant to have found niche market and filled it with something so fun!

Ahmed Hazem (?????????) says

what I understood from this story " Changing a man is so easy like Changing your mobile" :D
