Highland Grace

K.E. Saxon

Highland Grace K.E. Saxon

The second in the Highlands Trilogy, **HIGHLAND GRACE** begins where **HIGHLAND VENGEANCE** ended, giving you Bao and Jesslyn's story.

Set in the turn of the 13th century Scottish Highlands. When widow and devoted mother to a five-year-old, Jesslyn MacCreary, discovers her brief encounter with her laird's long-lost brother has resulted in an out-of-wedlock pregnancy, she is thrust into matrimony with its exotically handsome, angry, and seemingly unwilling, father.

Bao Xiong Maclean, by day, a contracted warrior for William, King of Scots, and by night, a lover for hire to the pampered ladies of the king's court, is fighting his attraction to the lovely flaxen-haired widow whose family is the reason he and his mother became slaves to the man who sired him: Jamison Maclean.

Georgia ♥ Team Dex ♥ says

After reading the first two books in this medieval / highlands trilogy I have drawn two conclusions.

1. This is a book about life. Life is an amazing gift with sometimes unbearable burdens. But that's how life works: you push through, you survive and ultimately, if you manage to conquer your fears, you flourish. I loved that the characters didn't dwell in the past and didn't let any miscommunications continue indefinitely. They faced everything as it came, like real people and the book didn't end up being a soap opera!
2. In order to start the third book as soon as tonight I had to register for a Smashwords account!!! And K.E Saxon's newsletter to learn where the book was available (thank God I did that first because I got a little extra!! I'm not saying, subscribe for a surprize!). I couldn't wait until November to be released in Amazon, in Smashwords was already available.

So, HUGE kudos for an amazing story! Highly reccomended!

Kim says

Bao and Jesslyn are perfect together. To find love after so much baggage and and heartache. I cried at the end. I can't wait for HIGHLAND MAGIC, to see what you have in store. Preview whets my appetite really good.

What a ride

If you like romance novels that have unexpected twists and turns, then this book is for you. I enjoyed the unexpected plot twists, and I have read many romance novels. Usually I can predict the outcome but not this time.

Gina says

This was Bao and Jesslyn's story, and I loved loved loved it!

This book like the first one is about family, love, acceptance, brutality, torture, and moving from surviving to thriving. I love these characters, they all seemed real to me, very well written.

I loved Bao, he had been through hell and is trying to find his way. He is ashamed of his past and is tortured with emotional demons. Jesslyn is still trying to get over the death of her husband and she is forced to marry Bao because they did the deed in book 1 and now she is pregnant. Bao is also seeking justice for the death of his mother and that plays a part in how he treats Jesslyn (he really pissed me off here). All the characters from book 1 are in book 2. Daniel and Maryn, Brannween, Alleck, Callum. And we meet Lara (Callum's

wife) and she is a real b*tch.

I found myself laughing, crying, angry, happy, sad, and I think once i actually hugged my Nook! (ok i am pathetic).

I judge how good a book is by how late i stay up reading it! With this book i was up till midnight two nights in a row because i couldn't stop reading. I call that a damn good book! I am so happy to have found another damn good scottish romance, with words like wee, mayhap, bairn etc. (i love these words, lol).

try it you'll like it! :o)

Suzan Tisdale says

Loved it! There are a few times when it seems to move a bit too fast, but over all, it is very well written and I couldn't put it down!

K.E. Saxon does it again in book 2 of her Highland Series

This book is a continuation from book 1 but the romance is revolved around Bao and Jesslyn who were introduced in Highland Vengeance Book 1. I must also add that Daniel and Maryn from book 1 also play a huge part of this story as do all the other characters from book 1. The book's flow together nicely and I love that all the characters are in both book's.

The story line was really good and kept me interested all the way through. It also set up book 3 so well that of course I'll need to read it next.

We did get some misunderstandings and some heart ache along the way but all was well in the end.

All the characters in this series so far have been really good. Even the villains were done well. In this book one of the villain got away so I look forwards to him getting his comeuppance in book 3, Highland Magic.

The love scene were very sensual and well done, not too much but just enough to make me happy.

Once again I have to recommend this book to anyone who enjoy's a well written Scottish Romance.

Want to win a copy of this book?? Look for the upcoming giveaway at Swept Away By Romance, starting Friday 12/7. There will be an author interview with K. E. Saxon and she is giving one lucky winner all 3 books in her *Highlands Trilogy* along with another BIG, BIG, BIG, BIG prize, more details coming!! Stop by and check it out!!

Yona says

As much as I try, I just can't get used to this writing style, it's too strange for me.

Marie Staton says

Awesome read

Beautiful story of finding true love and how it can overcome the worst of trials past or present. Full of steamy passion and villains. Loved Boa's character,
