My Lord Eternity Debbie Raleigh , Alexandra Ivy (Pseudonym)

Alexandra Ivy, author of the Guardians of Eternity series, draws readers deeper into the world of the Immortal Rogues--three vampires entrusted to protect the future of their kind...

To other vampires, mortals are weak, uninteresting creatures. To Lucien Valin, they are infinitely fascinating. Especially Jocelyn Kingly--once the prize of London society, now an outcast. As the vampire assigned to guard her, Lucien is relishing his task. But her beguiling goodness puts her in terrifying danger. Not just from the traitor intent on claiming her mysterious amulet, but from the desire Lucien struggles to keep in check.

Youthful infatuation already cost Jocelyn her good name. But even with little to lose, instinct tells her that accepting Lucien as a tenant in her home is a devil's bargain. As she roams London's streets at night, helping the most wretched, she feels a dark force drawing near. And Lucien--magnetic, charming, irresistible--may turn out to be her savior, her lover, or the means to change her destiny forever.

Praise for My Lord Vampire

"The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal."

Felicia says

Wow, I just couldn't put this down I loved it.

Deb says

Ever read one of those books where you know you're not really interested in reading but you can't but it down? This is what this book was like for me. The whole time I was reading it, I kept thinking to myself, "Is this storyline going to pick up? Where's that extra kick I'm used to getting from my authors?" This book had no kick but I couldn't put it down. I wouldn't even say it was a smooth read. It was more of something to do to pass the time away. Yet and still, I couldn't put the book down. After finishing the story I was left with a lot of questions? what happens to the street kids Miss Kingsly takes care of? Will the former women of the street get better housing? They get married and then what? Will this pick up in the third book? Apparently each of the books can be read separate as there is background information in the second book but not enough that the reader has a clue as to what is going on? Ok, bad vampires are out to get special female maidens who are bounded by the Medallion given to them by Nefri, the head vampire. Good vampires are sent forth to protect said maidens from the bad guys. Of course, good vampires fall in love with said maidens, bad guys show ugly head, fight ensues, bad guys win and good guys get the girls. That's it. No meat, nothing to sink your teeth into while waiting for the next installment. Now of course I will be getting the next installment because hey I love books and I'm hoping the third one is much better. Then of course there is always that re-read of all three back to back to see how the storyline flows. Then again...I just may be a sucker for punishment.

Angel says

Not one of my favorite books in this series. I read it because I expected the same excitement as all of her other books I have read. The story was good but not up to my expectations of my favorite author. Lacked action on his part. Although he was supposed to be the hero and lover, he seemed to be lacking the traits her other vampire heroes possess.

Daleine says

The Lord Eternity is the second of three books which tells of three vampires who are sent among the mortals to protect young women from evil vampires who want to destroy the veil and control humans and vampires alike. It is a love story and a story about evil and good. These books can be read by teenagers and adults. It has an adult theme but is not graphic in anyway. I enjoyed the books and the story of how the vampires struggle to protect the young women..

Les Chroniques Aléatoires says

C'est avec grand plaisir que je me suis replongée dans cet historique d'Alexandra Ivy. Depuis que Gideon avait fait allusion à ses cousins, j'avais vraiment hâte de les rencontrer, ainsi que les autres gardiennes du Médaillon. Je n'ai pas du tout été déçue, surtout que je me suis retrouvée avec une histoire, des personnages et un ressenti totalement différent du précédent volume. Bien que l'histoire se passe dans la même ville, à la même période, il est intéressant de voir qu'aucun des couples ne va se croiser, la seule donnée commune étant Nefri.

Lucien, bien que tout aussi arrogant que son cousin, n'a rien à voir avec Gideon, il ne pourrait pas être plus différent l'un de l'autre. Lucien est avant tout décrit comme un personnage vain, impulsif, mettant son plaisir avant tout et ayant un humour particulier. Et pourtant, il apparaît rarement ainsi dans ce livre, il change assez rapidement grâce à la douce Jocelyn. Il fait toujours son charmeur, sa faiblesse pour les humains est toujours présente, mais il se montre doux, attentionné, passionné et par moment tyrannique. Il tient pas mal du vampire de base, mais il a pas de traits de caractères humains et plus d'une fois il étonnera tout le monde.

Jocelyn elle aussi est tout le contraire de Simone. Elle s'est brûlée les ailes durant son court passage à la haute société. Elle se retrouve seule, sans amie, ni famille, seule sa servante l'a suivie. Son passé l'a radicalement changé, elle n'est pas comme les autres "ladies", bien qu'il soit plus juste de dire qu'elle ne l'est plus. Douce, la main sur le cœur, mais qui cache un côté passionnée et courageuse, elle est aussi très maligne et indépendante. C'est un peu un anachronisme dans le Londres de l'époque. Mais c'est peut-être pour cela qu'elle est si admirable et qu'on se rend compte tout de suite qu'elle est faite pour Lucien.

La troisième roue du carrosse, car il faut bien un méchant une fois encore, est un vampire à part, différent, qui se dit être un professeur, un scientifique. Amadeus est un vampire qui se contrôle assez bien, mais qui reste tout de même cruel et violent pour obtenir ce qu'il veut. Nefri fait de nouveau quelques brèves apparitions, assez semblable que celles dans My Lord Vampire. J'ai apprécié les enfants abandonnés auxquels vient en aide Jocelyn et Lucien. J'aurais apprécié voir la petite Annie prendre plus d'importance, tout comme Mr. Ryan qui sont des personnages avec pas mal de potentiel.

L'intrigue est toujours la même : les renégats recherchent les différentes parties du Médaillon et font tout pour mettre la main dessus. Au final, le gentil vampire protège la belle demoiselle pas si en détresse que ça, surtout ici avec Jocelyn, Buffy peut aller se recoucher ! La romance est encore plus en retrait que dans le premier livre, le passé difficile et plein de trahisons de Jocelyn était un obstacle presque insurmontable. Mais cette romance ressemble plus aux histoires d'amour de l'époque, avec une cour longue et assidue, de la bienséance, quelques baisers volés et une énorme tension sexuelle.

Le style d'écriture d'Alexandra Ivy s'affirme de plus en plus et on commence à vraiment reconnaître ce qui a fait le succès des Gardiens de l'éternité. C'est fluide, tout s'enchaîne bien, de l'actions, des meurtres et des moments de tendresses. C'est une trilogie qui reste toujours aussi intéressante, il ne reste plus qu'une demoiselle à protéger et cette fois-ci on connaît le nom du méchant, mouhahaha ! Reste à savoir qui va faire mordre la poussière à Drake.

Paraphrodite says

3 stars.

This is virtually a repeat of the previous book. The only differences being the names and personalities of the H/h, the villain and the heroine's circumstances.

It's made more clear why the Medallion was split and given to the mortal women but it still seems to be a

very stupid move when they can't protect themselves from vampires! Although I can't really quibble since I'm reading a *Vampire* romance and I expect things to make sense? Duh!

Tania says

"My Lord Eternity" by Alexandra Ivy (Book 2 in the Immoral Rogues Trilogy)

I have the new cover released version.

Very good. I really liked it. More of a historical paranormal romance about vampires. Light in the "hot" department but overall, a really good read.

Brilliant Hermione says

Terlalu banyak kalimat serupa yang diulang-ulang (bibir berkedut masam, keheningan menyelimuti, ekspresi muram dan lain sebagainya)

Tapi, terlepas dari kekurangan yang membosankan, cerita ini cukup menghibur.

Shanna Hurd says

Book 2 in the Immortal Rogues series. You don't have to have read book 1 to enjoy this book, so that is nice. I am looking forward to book 3.

Katherine ??? says

Ternyata novel ini 11-12 dgn yg pertama. O.k.lah, not bad. Paling tidak heroine-nya pinteran sedikit drpd sblmnya. Tapi kelemahan novel ini masih nyaris sama, dan kacaunya lagi - plot cerita yg juga mirip dgn buku pertama.

Rasanya nyaris tidak ada yg baru dlm buku ini. Ada yg ganjil bagi saya. Di prologue, dikisahkan betapa angkuhnya Lucien, tetapi knp setelah itu nyaris hilang sisi kesombongannya? Memang Lucien gentleman sejati tapi ya kurang sesuai pakemnya sbg vampire yg super arogan.

Dan lagi2, saya serasa baca buku clean romance utk seri Immortal Rogues ini. Benar2 "disapu bersih" adegan 17 tahun keatas. Sudahlah!!! Kapok saya baca seri ini.

May Mostly Romance says

??
?? (My Lord

kejam terhadap orang2 yang ditolongnya.

Seperti buku pertamanya (yang gw uda lupa ceritanya) buku yang kedua ini juga singkat, selain itu vampirnya juga ada dua macem hehehehe....

Lucien dan Jocelyn sama2 likeable lah...

Pam says

I received a copy of this book from the publisher for an honest review. Lucien has been assigned to watch lady Jocelyn. She has a powerful amulet and is in danger even if she doesn't realize it. She has no fear it seems as she has already been cast out of society and now spends her time helping those in need. She roams the night feeding orphans or lending a helping hand. She doesn't realize she is being hunted until people begin to turn up dead and clues lead to her. Lucien is a vampire and it's job to protect her. He must make sure she stays alive but where most vampires hate humans he seems to like them especially Jocelyn. They have to fight to stay alive and they might find something more to live for in the end.

Jocelyn is a fantastic character. Even if society and her family have thrown her to the curve she still does what she believes in and helps everyone she can. She doesn't care for titles and even though she has come from money she doesn't act that way. Her family has turned their back to her long ago and she moved on. She lives a lonely life and seems to prefer it. Lucien is a hotty vampire that tries his best to protect Jocelyn. She doesn't make it easy and he has to hide what he is from her. You can tell their is plenty of sparks between these two and they make a wonderful couple.

This story starts out great and doesn't stop being that way. As Jocelyn and Lucien try to help people and figure out just who is killing people and why. Lucien knows why but he can't say but he really isn't for sure who. It is a great book with lots of action and a great blend of historical romance and paranormal romance. I love how these two come together and it is so awesome. Jocelyn really shows her strength in the end as she does everything she can to save Lucien. I look forward to reading more in this series to see what the other guardians must face and see what kind of trouble they get into.

Victoria says

A good old fashion romance with a vampires and I'm glad this time, the book after the party planned :)) The characters balanced either so much that sometime I thought they switched genders. LOL. Talk about role reversal! Cute.
