Taken By The Wolf: Part 1 Jessica Ryan

Eva Thompson never wanted to be hustling drinks at Cowboy's Landing, but she's got bills to pay, and she sure as heck isn't waiting around to be rescued.

Bad boy Rowan, is no knight in shining armor. He's the Sheriff for Bucklin, a remote town populated by werewolves. He's left home on a mission, and doesn't have time to get distracted by a curvy human waitress.

There are rules about how to handle humans who find out what they are, but when Eva inadvertently sees Rowan's furrier side, he can't bring himself to hurt her. Whether she likes it or not, Eva's coming back to Bucklin with him, and he isn't about to let her go. And call it Stockholm's Syndrome, but Eva's starting to think she'd rather end up in her sexy captor's bed than back in Cowboy's Landing.

Taken By The Wolf Part 1 is and 18,500 word novella and the first in a three part serial set in the exciting world of the Bucklin Wolves.

Loved it!! Can't wait to read the rest!!

Kaila says

very short but interesting read. I enjoyed the plot and characters. not a fan of the ending but excited to read the next and see where it goes.

Part 1 of a 3 part story following the characters Eva and werewolf enforcer Rowen.

Eva is working at a bar when she is hit on by a burly biker who surprises Eva after work. Intent on raping and possible killing her things are looking up for Eva. Until Rowan races to her rescue.

But now that Eva has see Rowan as a Werewolf his secret is out. Now he must kill her or claim her.

A great beginning of a story. We get conflict from Satans angels or whatever the other wolfpack was called, you get drama over Eva coming to terms with being a "prisoner" at Bucklin and characters that I can't wait to learn more about.

Was a great free download from Barnes and Noble (my Nook) and I can't wait for more.

interest to read

Loved it! Storyline was intriguing and entertaining, written in a way that held my attention, leaving me wanting more. Rowan, a sexy wolf shifter saves Eva but accidently reveals himself as a shifter to her. So what does a hot guy do? He takes her home with him, for protection. Loved the characters in this book and can't wait to read more. Definitely a great start for a new series. Would recommend.

I downloaded this as a free book from Amazon. As a free book, this was an okay read, but it was disjointed

in many places, and I never really connected with the characters or the story line. I'd probably rate it a 2.5, but rounded up as it was a free novella.

Katie says

An enjoyable first part of this series of novellas.

Donna Hokanson says

Great beginning

Love this story line and the beginning to the series. Great introduction to the Bucklin pack. Well written and very entertaining to read.

Barbara says

Although I like this story I'm not really enthousiastic about this book. This book is too short for my taste. I think it would be better to make one book out of the three Taken by the Alpha books. I haven't read enough about Rowan and Eva, to grow fond of them yet, so I'm not interested in what happens next.

Taken by the wolf

Very good book I can't wait to read the second book and the third to finish out the story line.

First story in this enchanting series. Eva and Rowan meet in a typical situation where he must rescue then keep her instead of kill her. In this very entertaining installment they are getting to know each other. Sparks are flying and the only sex scene was very hot. This was also a very short story so I hope the characters will start to develop more in Taken By The Wolf Part 2. This could turn out to be an outstanding series. I also want to mention that these are very short stories. I read this in like an hour. I recommend this book!!

Lisa says

Great story! Loved the characters. The intertwining storyline was well developed. Just wish it had been longer and hadn't ended with such a teaser ending.

Rowan is a strong alpha character and carries the strong personality well.

Looking forward to seeing more from these characters and the wolves of Bucklin.

ewww the nasty dirty humans! god i hate when authors create supes that have some weird hate for humans it makes for an obnoxious read especially for a PNR couple of a supe and a human. the hero is so demeaning and chauvinistic ("listen here girl" *gags*) and was so bad there was no coming back from it. add to that the callous disregard for human life and i was so turned off by this book. DNF

Cute very short story

While this could of had potential, I just couldn't get down with the girl being "ok" with her kidnapping. She wakes up from an attack in a strange place and that's ok. She finds out he's a wolf and that's ok. He tells her she has to stay with him and that's ok. She has a concussion and that's ok too. Let's not forget that a council tells her that she's cut off from the real world, that's ok. And when some stranger takes you shopping on someone's credit card that's ok--- wait no that was the only part that was ok. Lol (that's my inner girl talking). Not to mention we screw the shifter that's holding us captive. That's the most rapid diagnosis for Stockholm that I've ever witnessed. I vote while the plot had potential the delivery was an EPIC FAIL!!!
