The Nanny Proposal Joss Wood

"You work for me. That's it.

"So why can't she stay out of his bed?

She'd slept with Aaron Phillips *before* he became her boss. And Kasey Monroe had successfully avoided temptation ever since. But now the bachelor Texas tycoon demands she add temporary live-in nanny to her job description, to help with his niece. She'll be "playing house" with the man she can't resist. What could possibly go wrong with that arrangement?

Lynn Brooks says

Sexy, sweet and emotionally raw! With the latest book in the Texas Cattleman's Club: The Imposter series, Joss Wood brings us Aaron's story. His family has been playing a key part in the Will/Rich imposter storyline. This book was really quick to catch my attention, and the both sweet and sad emotions throughout kept my attention and had me rooting for Aaron & Kasey. Great read!

Aaron Phillips might be Kasey Monroe's boss right now, but slightly before she agreed to become his executive assistant, they were simply two people agreeing to have a no strings one-night fling. They knew she was probably going to work for him, but agreed they wouldn't let it affect their boss/employee relationship. They've done well for months now, but suddenly he needs her to move in and help out being a temporary nanny to his niece ... how is that going to play out?

Kasey is wildly attracted to Aaron, but luckily their work relationship doesn't have them in the same room often ... but now he wants to move her into his house. She's in big trouble!

Amanda says

Don't mind me. I'm just here recovering from the scintillating journey I'd just been on after devouring The Nanny Proposal by Joss Wood in a matter of hours! Have you read any of her books? If you haven't then I can safely say you're missing out on a whole lot of fun and shenanigan. PS: The Nanny Proposal is part of the Texas Cattleman's Club: The Impostor series in case you were wondering.

Jess Lawson says

The Nanny Proposal by Joss Wood is the 6th installment of Texas Cattleman's Club: The Impostor. This series has kept us on our toes and this one is no different. I thoroughly enjoyed the intense chemistry between Kasey and Aaron. The mesh so well together.

Kasey has just been betrayed by everyone she trust. So a new job and new town are exactly what she needs. So help her she can't trust this gorgeous man she works for all she can do is keep her distance and do her job.

Aaron is looking for his brother. He needs a new administrative assistant and nanny for his beloved niece. She is what matters most and he must have someone he can trust so why not Kasey. This book has so many depths and emotions. You will not regret reading it.

Veda says

I have enjoyed the Texas Cattleman's Club series since it first started. This year's series is about an impostor, and everyone effected by that impostor.

This book, concerns a family member that has disappeared, leaving behind a started small little girl, and a sister and brother. How they react to the missing family member, is dealt with. Love the continuing saga of this series, and can't wait to see what happens next.

Emily says

Great read

Kathleen says

I was lucky enough to get a early copy of this book in the Texas Cattleman's Club: The Imposter series. This story grabbed with from the very beginning and did not stop there. I loved the interaction between Aaron and Kasey. Throw in a cute little girl and 2 dogs and you have a greater story. If you have read any of the books in this series you know someone is posing as one of the residence in Royal, TX and for Aaron his brother is missing and he knows that this imposter is responsible for his disappearance. Aaron has been left as guardian for his 6yr old niece and he knows nothing about raising kids, so he asked his assistant Kasey to move in and help him out. She agrees, but the chemistry between the two, given that they had a one-niter before she started to work for him, is at the boiling point and too many cold showers or swims in the pool are just not doing the trick. But can they have a working relationship, look after Savannah, and a friends with benefits relationship... You will have to read to find out.. You won't be disappointed....

I can't wait to read the other books in this series..

Sue Stewart says

Good series and a really enjoyable book!

Belinda says

We have the next installment of the TCC books. As always it does not disappoint...This book we are focused on where Will's friend Jason has gone...Will they find him alive? Aaron is now guardian of Jason's daughter Savannah..he has had an affair with Kasey before she starts working for him...they agree it is the one time and nothing will be said about it..while working for Aaron he asks her to come help with Savannah for a while as a nanny...Moving into Aaron's house leds to some explosive hotness...And the more she is with him and Savvie the more she falls in love with them both..but can both of them open their hearts to one another to have a happy life together? Will we come closer to finding out who the Will imposter is? Will Jason be found alive and able to tell Will anything? This book made me laugh, sigh and cry

Harlequin Books says

Miniseries: Texas Cattleman's Club: The Impostor

Maria Rose says

The Nanny Proposal by Joss Wood is book six in the Texas Cattleman's Club: The Impostor, a multi-author series with a few mysteries to be solved. It's also a sexy workplace romance for two people who let passion lead to love.

Kasey Monroe had a one night stand with Aaron Phillips before becoming his employee, but once their working relationship is established they mutually agree to keep their hands off each other. When Aaron's brother goes missing and he takes in his five year old niece, he's in desperate need of a nanny, and Kasey agrees to help him out temporarily. Now that they're under the same roof, it's a bit harder to ignore the attraction between them. Aaron turns to Kasey for support while the search is on for his brother, and they rekindle their sexual relationship. But can it lead to a happy ever after?
