MAGNIFICENT!

Wow, this is the best comic in the arc yet for the series! Seeing Exar Kun calling for his master and renouncing the Dark Side on the brink of death before surrendering to the Sith way to remain alive adds more dimension to his character. Even now he still clings to Jedi teachings but I'll be intrigued by how his drive to obtain forbidden knowledge will plunge him irrevocably deeper into evil.

Seeing Ulic Qel-Droma determined to destroy the Krath from within, choosing the darkness to save the light, is as heartbreaking as Anakin's choice to commit atrocities to rescue the lives of his loved ones.

Having Odan-urr make a cameo was surprising and I was totally happy about it! I didn't know he was still alive!

Very sad about Arca...but I have to say him getting shot in the back while telling Ulic to be careful and aware of the world around him was pretty ironic.

One of my favorite sagas is that of the Quel Drama brothers, Nomi Sunrider, and Exar Kun. Great storytelling.
