Soumii says

CANT WAIT!!

Purplepeaches says

i have offically given up on this series.
I don't think either one of the two books are ever coming out.

Its kind of tragic; the first one was a solid 5 star read

Kat Witmer says

NOOOO!! why why why does it have to be Anika?? I didn't like this chick at all. My biggest problem is this one scene in Lev's book...it went a little something like this...

Sasha - "I can make you forget him, I can make you forget he ever existed, Ani."
Anika - "You were never competition, Sasha. Not next to him. You never even came close."

Now, tell me how I'm supposed to get behind them as a couple...I.JUST.CAN'T.DO.IT!

Rachaelthebiliophile says

Sigh

Spoilers and note to self

Anika was not a favorite from book 1.She wanted Lev and treated Sasha like crap how is it plausible that she'll have a hea with him....then she'll be living around the one man she's wanted for so long but with his brother??? Hmmm another interesting plot line. I may just have to stop at Lev and imagine stories for the others ??? time will tell.

Ariia says

Vik, Shasa, and Alesio.. Pleaseeee i want to know their story...dont left behind Alesio and Cora

Michelly Felix says

I really want to know the story of anika, she may be a bitch but I want to see her with her, she deserves a chance and so does he. I know you have more to tell them.

Manilyn says

I really hate her. I hope Sasha will be paired up to someone new, like a reward for him after this b*tch lol. She doesn't deserve him come on people. TBH this is really disappointing. Better luck next book I guess.

Ela says

Sasha is the only reason I'll be reading this book.

I was annoyed by Anika's attitude and behavior towards Sasha.

Dunno how I am going to get pass that.

I just hope that there won't be a traumatic past or an event in the storyline, that will be used as a tool to force the reader sympathize with Anika.
