Faith Alone: A Daily Devotional Martin Luther , James C. Galvin

Timeless insights from one of the most important people in church history. Some people value good works so much that they overlook faith in Christ. Faith should be first.... It is faith—without good works and prior to good works—that takes us to heaven. We come to God through faith alone. —Martin Luther Resounding across the centuries, Martin Luther's prolific writings as a pastor, theologian, scholar, Bible translator, father, and more, remain powerful and richly relevant. Faith Alone is a treasury of accessible devotionals taken from Luther's best writings and sermons from the years 1513 through 1546. This carefully updated translation retains the meaning, tone, and imagery of Luther's works. Through daily readings, Luther's straightforward approach challenges you to a more thoughtful faith. Read one brief section a day or explore themes using the subject index in the back of the book. Faith Alone will deepen your understanding of Scripture and help you more fully appreciate the mystery of faith.

Shawn Willson says

If you have never read Luther, this daily devotional is a great place to start. The editor has complied a wonderful collection of Luther's teachings that are highly relevant to the 21st century life. Luther speaks the grace of Christ into our lives that is only surpassed by the Word of God. The readings are short and applicable. Spend a year with Luther to see the heart of the great reformer.

great book

Stephen says

A daily devotional reader culled from the sermons and letters of Martin Luther. This book is chock-full of the clear thinking and astute scriptural analysis we've come to expect from Luther. Each page has a verse up top, followed by several paragraphs from one of Luther's writings. You can go day-by-day or use the handy index by topic (some examples are death, love, patience).

By Faith Alone works well as a booster shot of faith as we face each day in this fallen world.

Great quick book of Daily devotions. I still read this, now working on my second time around. Take 5 minutes each morning and get your day of right.

Luther's thoughts

Enjoyed this as a devotional as it gave me Luther's thoughts about God and our relationship with Him. Based on Luther's writings

Rod Taylor says

By far the best devotional I've ever owned. Usually one uses a yearly devotional for a year and then starts another. I used this one 3 years in a row. Luther had the concept of God's grace down better than any

theologian I know of. If only we could even begin to grasp it as well.

I highly recommend this if you want a better understanding of grace but don't want to muddle your way through a bunch of theology books, Though that's probably the best way to understand the development of the modern view.

Strong Showing of Luther's Heart

Short daily blips demonstrate a pastoral and theological acumen. Highly recommended. Topics are somewhat synchronized with the calendar year. Excellent.

Kirk says

My favorite book of daily devotional readings. Far from a literal translation of Luther, but it captures the meaning vividly.

Sandi says

Amazing journey of the subject of faith. I recommend it.

Jaimie says

Great devotional. I appreciated getting familiar with Martin Luther's sermons and writings with a small sample each day. Furthermore, these samples were chosen by a panel of pastors, which means that each selection was vetted for Biblical accuracy, and any of Luther's non-biblical views were cut out. I would definitely recommend!

John says

This is an extremely spiritually nourishing and encouraging book to work your way through.
