Wicked Ways Donna Hill

Tess McDonald has a score to settle. It was she who set into motion a series of events that caused the murders of two adversaries. Tess even turned complete strangers, Kim and Nikki, into partners of a deadly crime.

With life good now that their nemeses are out of the way, they celebrate. But not for long. On the night that the three women reunite, Tess receives a phone call that has the potential to ruin everything that she has put in place. Vincent, the one man that Tess would have changed her life for, has found her and her cohorts and he knows everything.

She agrees to meet him with the intention of silencing him for good. But Tess is shocked when Vincent asks her to leave with him and put her criminal past behind her. However, Kim and Nikki aren't about to let her go so easily.

Joyce says

I read this because it was set in Aruba. That's the only reason and it was pretty awful. Fortunately it was quick.

Lissibith says

Tight pacing and interesting characters. A somewhat simplistic plot, but honestly it didn't need to be very complex. It got me emotionally invested.

Temptingat40 says

very interesting and a good read

colleen says

read 12.11.07

Deliah Lawrence says

Although I haven't read Getting Hers, this sequel from Donna Hill certainly had me wanting to learn how this trio (Tess, Kim and Nikki) got together to form a bond that would be tested in this novel. There were a lot of twists and turns but I wanted more action. I felt that Tess and her sister's relationship needed to be fleshed out some more. The ending was somewhat abrupt and left me hanging. Nevertheless, it was a good read!
